

SARB Training

This training is intended for school site/district staff, law enforcement and probation officers, community mental health providers, and youth advocates who have responsibilities for conducting School Attendance Review Board meetings.

We will review the procedures and requirements for conducting SARB meetings and the role of team members in ensuring that the SARB process is legally compliant and effective.

Participants will learn:

- SARB Legal Requirements: History, Appeal, Authority, and Education Code
- Governance: Board Composition, Quorum Requirements, Confidentiality, Brown Act
- Parental Rights
- Appeal Process
- Independent Study - Assembly Bill 167
- Special Education and Section 504 Coordination
