THREE FILTERS. ONE FOCUS. *Stronger Readers. Brighter Futures.*

Georgia's Regional Literacy Coaches lead with **purpose** by aligning to what matters most.

Great coaching happens when we stay aligned.

Regional Literacy Coaches use these three non-negotiable filters to guide priorities, decisions, and actions across our RESAs.

NEW ELA GEORGIA K–12 STANDARDS

What students should learn.

Ensures instruction is rigorous, coherent, and aligned to the knowledge and skills students need at every grade level.

HB 1193 LITERACY ACT

Georgia's literacy vision.

Strengthens early literacy foundations and evidence-based practices so all students can read proficiently by the end of third grade.

GEORGIA LITERACY COACHING STANDARDS

How coaches build capacity.

Provides the professional framework for impactful coaching, collaboration, and capacity building that leads to student success.

When these three come together, our coaching drives real change.

ALIGN THE WHY. FOCUS THE HOW.
Use all three filters for every priority, plan, and action.

IMPACTFUL LITERACY COACHING

Stronger instruction.
Stronger systems.
Stronger readers.

WHEN IT DOESN'T ALIGN...

- We lose focus on what matters most for student literacy.
- Efforts become fragmented and less impactful.
- Time and resources are not used effectively.
- Student outcomes don't improve at the rate our students need.

PAUSE. PROBLEM SOLVE. RESTRUCTURE.
Realign to the three filters.

WHEN IT ALIGNS...

- Coaching is intentional and standards-aligned.
- Educators build capacity and confidence.
- Systems strengthen and sustain best practices.
- Students make meaningful growth in literacy.

WE LEAN IN.
We lead with clarity. We coach with purpose.
We change lives.

OUR COMMITMENT: We will lead with alignment, coach with intention, and ensure every student has the literacy skills to thrive.
