SAGUARO HIGH SCHOOL
DUAL ENROLLMENT

Earn High School + College Credit!

Dual Enrollment courses are **COLLEGE-LEVEL COURSES** taught at Saguaro High School during the regular school day. When you successfully complete the required enrollment process, you can earn college credit through Scottsdale Community College (SCC) while also earning your high school credit.

IMPORTANT:
Simply being enrolled in the Saguaro class does **NOT** automatically mean you will receive college credit.

ALL 3 STEPS ARE REQUIRED TO EARN COLLEGE CREDIT

Think of Dual Enrollment as a three-part process.
Students must complete all three steps to officially earn college credit.

1 APPLY / GET ADMITTED

First-time Dual Enrollment students must apply to Scottsdale Community College and receive their Maricopa student information (MEID).

2 COMPLETE YOUR DUAL ENROLLMENT FORM

Log in to your Maricopa Student Center and complete the required Dual Enrollment forms, including the Dual Enrollment Class Form. Students must meet any course placement or prerequisite requirements.

3 PAY TUITION & FEES

Students must pay their tuition and required fees or establish an approved payment arrangement.

DON'T STOP AFTER STEP 1!
Being admitted to SCC does **NOT** mean you are registered for Dual Enrollment credit. Make sure you complete **ALL THREE STEPS.**

NEED HELP WITH TUITION?

Financial assistance may be available through the Maricopa Tuition Assistance Grant for students who qualify based on financial need. Students who qualify for free or reduced-price lunch are automatically eligible to apply. Funding is limited, and completing the grant application does not register a student for Dual Enrollment courses.

Maricopa Tuition Assistance Grant

SCC reports that Dual Enrollment credits transfer to Arizona's public colleges and universities. If you plan to attend an out-of-state institution, check that college's transfer policies.

Need to find your MEID?
Find Your MEID

Important: The previous "MEID and ID Retrieval for Dual Students" resource should no longer be used. Please use the current Maricopa/SCC resources above.

BEFORE YOU FINISH... *Ask yourself:*

- ☐ Have I been admitted to Scottsdale Community College?
- ☐ Have I completed my required Dual Enrollment forms?
- ☐ Have I completed any required placement/prerequisite requirements?
- ☐ Have I paid my tuition and fees or made payment arrangements?

If you checked **YES** to **ALL THREE STEPS** – you're on your way to earning college credit!
