

PINELLAS COUNTY STUDENT FILM FEST 2026-2027

DREAM BIG!

Big dreams start with one idea and one person willing to take the first step

Your film should showcase a dream, goal, idea, or vision and the journey of bringing it to life. Whether it's a person pursuing a dream, a goal achieved through perseverance, an innovative idea put into action, a challenge overcome, or your own vision turned into reality, your story should highlight the process, growth, and determination that made it possible.
