

Parking FAQ

How much do parking permits cost? Student parking permits are free of charge.

How do I get a parking permit? Start by filling out the [parking permit registration form](#). Next, bring your license to the HS office to receive your permit. (Note: permits will also be available in the Commons on Open House night).

Where should my permit be displayed? Student parking permits should be visibly displayed on the passenger side dashboard or on rearview mirrors.

Can my permit be transferred? Yes and no. Permits cannot be transferred from one student to another student. Each student gets their own parking permit with a dedicated serial number. However, a student can transfer their permit to another vehicle if they happen to drive a different vehicle to school on a particular day.

Do staff also have parking permits? Yes, staff also have parking permits. Permits help us ensure that people are parked in identified areas for better organization / flow of traffic.

What happens if I lose my permit? Inform the HS office that you have lost your parking permit. Replacement permits incur a \$20 fee.

What if I drop off my HS student? Before and after school, HS students can be dropped off (or picked up) in the parent line(s) on the south side of campus or the north side of campus. During school hours (8:20AM - 3:10PM), HS students must enter/exit the building through the HS office.
