Teacher Name: Dustin Hill

Email address: dhill@gcboe.us

Teacher Schedule

1st- Drivers Ed

2nd-Plan

3rd- PE

4th-Drivers Ed

5th- Wellness

Standards/Topics Covered & Course Calendar:

Course Overview

Drivers Education is offered as an elective course used to primarily help students obtain their Tennessee Learners Permit. The goal of the program is to learn the fundamentals of safe and responsible driving within a variety of environments. Actual hands-on or performance-based driving experience in a vehicle under the supervision of a certified driver education teacher is also required.

Grading

Students will be evaluated on power-point assignments, individual/group projects, activities and daily assignments.

Test

Class participation

In car Procedures

Major Assignments:

Power-Point presentation.

How many times do students drive?

It is suggested that each student drive at least six-hours of behind the wheel driving experience. This experience can come from a combination of driving, riding in the car and simulation.

- Driving skills are monitored according to basic maneuvers set forth by the course study. If a student can satisfactorily perform these skills, they are in a position to pass this portion of the class.
