Student Information Update:

We are gearing up for a successful start to the school year! Part of that planned success depends on great communication and we need your help to make that happen.

We are asking all parents of current students to complete the **Annual Update** in Infinite Campus for each student before the first day of school.

If this will be your student's first school year at PLSAS, you do not need to complete the update this year unless your student's information has changed since completing the initial enrollment.

For returning students, it is important to confirm or update your information so we can communicate with you about important events including emergencies and school closures. You will also be asked to review the Parent/Student Handbook that contains important district policy information.

To start, visit our website at www.plsas.org and login to Infinite Campus in the Families portal. Then click on "More," then "Online Registration" and follow the prompts. For assistance, contact the IT HelpDesk at 952-226-0048 or ithelpdesk@plsas.org.

Fall Sports Update:

Up-to-date physicals must be on file prior to the start of the season/tryouts which is on Monday, August 17th for most fall sports.

Email your updated sports physical to any of the Activities Office staff members or you can fax a copy to the office at 952-226-8689.

PLHS Health Office Update:

Prior to the first day of school, we ask that you update your student's health history in Infinite Campus so we are able to accurately assess your student if they visit the Health Office.

If your student requires medication (prescription and/or over-the-counter) during the school day, please complete this [medication form](#) and return it to the Health Office.

If your student has a health condition such as allergies, asthma, diabetes, or seizures, we ask that you provide an updated copy of your student's physician ordered Health Plan or Emergency Action Plan. These forms can be found on our [website](#).

Forms, medication, and health supplies can be brought to the High School Health Office during Welcome Back Day or on your student's first day of school.

Cafe Update:

The high school will continue to offer one free breakfast and one free lunch per day to all students during the 2026-2027 school year.

Breakfast will be available in the main serving area from 7:40-8:00 a.m. For students who are unable to get a breakfast during this time, a breakfast bag will be available in the Lakehouse Café until 10:00 a.m.

This school year, we are expanding our meal service options and adding additional convenient locations for students. These changes are designed to provide more choices and help keep lines moving efficiently.

26-27 Meal Price:

\$2.50 for double/second entree

Daily menu offerings can be found on School Cafe.
