

Team Pioneers

What is Team? Holicong is organized into teaching teams. Team Pioneers is your “home base.” The teachers plan team activities, coordinate lessons and due dates, and discuss student progress. Your teaching team looks out for you.

Our team’s name, Pioneers, represents trying new things and exploring new paths. The 2026-2027 school year is the perfect time to carve a new path at Holicong. Pioneers show leadership by helping others, leading with kindness, and setting a positive example. Team Pioneers is a brand-new team, and we are so excited to create new traditions that pave the way for future Pioneers!

On our first day, you can expect to . . .

- Get to know your teachers and team members
- Practice opening your locker
- Understand your schedule
- Attend your A Day classes
- Find your classrooms
- Figure out the cafeteria rules and routines
- Take a guided building tour
- Socialize and make new friends
- Make history as the first 6th graders in middle school!

Please come prepared with:

- The required supplies in the 6th Grade Supply List (re-listed below for you)
- Backpack
- Water bottle

Teachers

Mr. Fean
Mrs. Rickert

Mrs. Rickert
Team Leader

Lead with Kindness

We encourage every Pioneer to find a way to lead through involvement, service, and kindness.

Check out the Student Activities page on the Holicong website to discover the many ways you can get involved and grow as a leader at Holicong.
