Team 8A - Voyagers

August 2026

Dear Student and Parent:

As we draw closer to the beginning of the 2026-2027 school year, we would like to welcome you to Team 8A, now known as the Voyagers. Our team of teachers will share resources and expertise to make this school year a successful one. Being part of a team fosters frequent communication and will allow students to feel part of a smaller group within the school that supports one another.

Our team of teachers will not only facilitate learning in each of our subject areas but could also have your child in the Intervention and Enrichment (I/E) Period.

Holicong's "Back to School Night" for 8th and 9th grade will take place on Wednesday, 9/23. We hope you will be able to join us to hear more about each of our specific classes and what this new school year will look like.

This year, more than ever, communication between home and school will be a key component in each student's success. Please do not hesitate to reach out at any time with any questions or concerns. We are confident you will enjoy a positive eighth grade experience and look forward to meeting you soon!

Sincerely,

Your Team 8A Teachers

Mrs. Carrie Bannon
Team Leader
