Dear Akron Schools Family,

On behalf of the Akron Board of Education, administration, faculty, and staff, I am excited to welcome you and your children to the 2026-27 school year. It is an honor to serve this great school community as superintendent and work alongside so many people that believe in our students and work together to create incredible opportunities for their learning and development.

This publication serves as the district's first official communication of the year. Inside, you will find key information, including school events, concerts, PTA-sponsored activities, NYS testing dates, and summaries of important policies and student services. For the most up-to-date athletic schedule, visit www.akronschools.org/athletics.

We are excited to see continued growth through our 2025-2028 Strategic Plan, which focuses on the core goals of building on the goals of expanding student experiences and community engagement, fostering a supportive and inclusive school culture, and enhancing learning opportunities and academic flexibility. This plan, shaped by students, staff, families, and community members, truly represents the commitment of our community to see our students thrive.

We are also excited to see work under Phase 2 and 3 of our Capital Improvement Project coming to life, including substantial improvements at our athletic complex. We are eager for our students, staff and community to see these improvements. For updates, visit www.akronschools.org/capitalproject.

Parent Notifications

Parental Involvement, Title I Programs in Elementary and Middle School

Consistent with the parent involvement goals of Title I, Part A of the Every Student Succeeds Act (ESSA), the Board of Education will develop and implement programs, activities and procedures that encourage and support the participation of parents or students eligible for Title I services in all aspects of their child's education. The Board will also ensure that all of its schools receiving Title I, Part A funds develop and implement school level parental involvement policies, as further required by ESSA.

For purposes of this policy, parental involvement refers to the participation of parents in regular, two-way and meaningful communication involving student academic learning and other school activities. At a minimum, parental involvement programs, activities and procedures at both District and individual school level must ensure that parents:

- Play an integral role in assisting their child's learning;
- Are encouraged to be actively involved in their child's education at school; and
- Are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

The term parent refers to a natural parent, legal guardian or other person standing *in loco parentis* (such as grandparent or stepparent with whom the child lives, or a person who is legally responsible for the child's welfare).

District and school-level Title I parental involvement programs, activities and procedures will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children.

Complaint Procedures for Title I or Academic Intervention Services

Any parent, teacher or interested person may file a complaint concerning violations of the Title I Part A or Academic Intervention Services Regulations of the New York State Commissioner.

To file a complaint, please use the following information as a guide:

- All complaints must be written and signed by the person filing the complaint.
- Each complaint must specify the requirement of the law or regulation being violated and the issue/problem/concern that is occurring.
- The complaint must be accompanied by evidence/information supporting the complaint.
- The corrective action desired must also be included.
- Everything must be submitted to the:
District Office, 47 Bloomingdale Avenue, Akron, NY 14001

ACS Asbestos Management Plan Available to the Public

As required by federal regulations, the Akron Central School buildings have been inspected for the presence of asbestos. The results of the inspection of asbestos-containing building materials are contained in the Asbestos Management Plan. The plan also contains the results of all materials sampled during inspection process. As required by New York State, portions of this plan have been sent to the State Education Department's Bureau of Facilities Planning in Albany. The Asbestos Management Plan is available in the District Office for review during regular work hours.

Upon request, residents may receive a copy of this plan at a cost of 25 cents per page.

Campus Parking Restriction Enforcement

The safety of our students, staff and visitors to Akron Central Schools is of the utmost importance. Access to the school building, surrounding athletic fields and other venues is critical for emergency vehicles and emergency personnel. We ask that all parking restrictions be obeyed for the safety of all.

Signage and road paint on the ACS campus will indicate "NO PARKING - FIRE LANE" areas. The Akron Police Department will enforce the parking rules and ticket violators who have illegally parked their cars.

While the District does not wish to alienate its visitors, illegal parking is a serious safety issue that cannot be ignored. Please be safety-minded and refrain from parking in fire lanes or other restricted parking areas as indicated.

Akron Central School District Initial Notification Pursuant to Section 409-H of State Education Law

New York State Education Law Section 409-H, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

The Akron Central School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticides applications. The following pesticide applications are not subject to prior notification requirements:

- Anti-microbial products;
- Nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- Nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
- Silica gels and other nonvolatile ready-to-use pastes, foams, or gels in areas inaccessible to children;
- Boric acid and disodium octaborate tetrahydrate;

- The application of EPA designated biopesticides;
- The application of EPA designated exempt materials under 40CFR152.25;
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In addition, there will be no written notice of such application when a school remains unoccupied for a continuous 72 hours following an application.

In the event an emergency application is necessary to protect against imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list. If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form below and return it to the school. For further information on these requirements please contact the Chief Operations Officer at 47 Bloomingdale Avenue, Akron, NY 14001 (716) 542-5025 or fax at (716) 542-5018.

Student Privacy - Notification to Parents

The Board of Education recognizes that student privacy is an important concern of parents and the Board wishes to ensure that student privacy is protected pursuant to the Protection of Pupil Rights Amendment, as revised by the Elementary and Secondary Education Act. To that end, the Board has adopted a policy on student privacy.

Pursuant to the Protection of Pupil Rights Amendment, as revised by the Elementary and Secondary Education Act, and the Akron Central School District policy on student privacy, you have the right to opt your child out of the following activities:

1. The collection, disclosure and use of personal information gathered from students for the purpose of marketing or selling that information. This does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating or providing educational products or services for, or to students, such as:
 - a. College or other postsecondary education recruitment, or military recruitment;
 - b. Book clubs, magazines and programs providing access to low-cost literary products;
 - c. Curriculum and instructional materials used in schools;
 - d. Tests and assessments used to provide cognitive, evaluative, diagnostic, clinical, aptitude, or achievement information for students or to generate other statistically useful data for the purpose of securing such tests and assessments, and the subsequent analysis and public release of the aggregate data from such tests and assessments;
 - e. Student recognition programs; and
 - f. The sale by students of products or services to raise funds for school-related activities.
2. The administration of any survey revealing information concerning one or more of the following:
 - a. Political affiliations or beliefs of the student or the student’s parent;
 - b. Mental or psychological problems of the student or the student’s family;
 - c. Sexual behavior or attitudes;
 - d. Illegal, anti-social, self-incriminating or demeaning behavior;
 - e. Critical appraisals of other individuals with whom respondents have close family relationships;

- f. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians and ministers;
 - g. Religious practices, affiliations or beliefs of the student or the student’s parents; or
 - h. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program.)
3. The administration of any non-emergency, invasive physical examination or screening that is required as a condition of attendance, administered by the school, not necessary to protect the immediate health or safety of the student or other students and not otherwise permitted or required by state law. The term “invasive physical examination” means any medical examination that involves the exposure of private body parts, or any act during such examination that includes incision, insertion, or injecting into the body, but does not include a hearing, vision or scoliosis screening. It does not apply to any physical examination or screening required or permitted under State law, including those permitted without parental notification.

A summary of Rights and Information for Parents and Students can be found at www.akronschools.org/billofrights.

Internet-Enabled Device Restriction

Akron Schools has developed Policy 7316 to adhere to NYS Legislation that restricts the use of internet-enabled devices, including cell phones, smartwatches, tablets or any device capable of accessing the internet or social media platforms, during the school day. This does not include district- or BOCES-issued devices used for educational purposes.

Child Find

Child Find is a continuous process of public awareness activities, screening and evaluation designed to locate, identify, and refer as early as possible young children with disabilities and their families who are in need of an Early Intervention Program or Preschool Special Education services through the Individuals with Disabilities Education Act (IDEA).

To receive Special Education services, children must meet eligibility guidelines according to IDEA. IDEA requires all states to have a “comprehensive Child Find system” to assure that all children who are in need of early intervention or special education services are located, identified, and referred. If you believe that your child may be a child with a disability or in need of support services, please contact the Office of Special Education at (716) 542-5077.

Parent Notifications

Notification of Rights Under FERPA (The Family Educational Rights and Privacy Act)

FERPA is a federal law designed to protect the privacy of student records. The law gives parents and students over 18 years of age (referred to in the law as “eligible students”) the following rights:

1. The right to inspect and review the student’s education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the Building Principal a written request that identifies the records they wish to inspect. The Principal will make arrangements for access and notify the parents or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask the District to amend a record that they believe is inaccurate or misleading by writing the Principal, clearly identifying the part of the record they want changed, and specifying why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their rights to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent of student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue SW, Washington, DC 20202-5605.

In addition to the rights outlined above, FERPA also gives the school District the option of designating certain categories of student information as “directory information.” Directory information includes a student’s name, major course of study,

participation in school activities or sports, weight and height if a member of an athletic team; dates of attendance, degrees and awards received, most recent school attended, class schedule, photograph, and class roster.

You may object to the release of any or all of this “directory information”; however, you must do so in writing by September 30, 2025. If we do not receive a written objection, we will be authorized to release this information without your consent. For your convenience, you may note your objections to the release of directory information on the form provided and return it to the Building Principal.

Release of Directory Information Under FERPA

Unless objection to any of the specific items in the following “Directory Information” is submitted in writing by parents, legal guardians or those students over the age of 18 years, the Akron Central School District herewith gives notice of intention to provide, release or publish in the district or building newsletters; school or student newspapers; school website or other district approved social media or social networking sites; yearbooks or other publications; daily or weekly newspapers; athletic programs; musical, theatrical or award programs; news releases and school-related organizations any or all of the following directory information pertaining to students as may be appropriate under the circumstances: the student’s name, student’s photograph, parent’s name, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received and the most recent previous educational agency or institution attended by the student.

Under the regulations of this act, parents, guardians or students over the age of 18 who do not desire the release of any of the above directory information must make a specific request in writing to the Superintendent by September 30, 2025. Failure to make such request shall be deemed consent to release, provide or publish directory information (during the 2026-2027 school year).

Please Note: Although not considered directory information, student created work, video or audio recordings, or electronic images may be used without prior consent in order to publicize or promote a school district program. If you wish to refuse permission for the use of your student’s work, video or audio recordings, or electronic images in district publications, media releases or district website, you must notify the Superintendent of Schools or Building Principal in writing by September 30, 2025.

Title IX Public Notice

In compliance with Title IX of the Educational Amendment of 1972, the Akron Central School District provides equal access to all its educational programs and activities regardless of sex, race, color, national origin, sexual orientation or disability. No student will be excluded on such basis from participating in or having access to any course offerings, student athletics, counseling services, extracurricular activities, or other school resources. The District’s designated compliance officers who coordinate the nondiscrimination requirements of Title IX are Mr. Stephen Dimitroff, HS Principal, and Mrs. Caroline Kos, Elementary Principal.

Section 504 Public Notice

In compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, the Akron Central School District does not discriminate on the basis of disability.

No qualified student with a disability shall, on the basis of that disability, be denied access to any of the District’s educational programs or activities. The District’s designated compliance officer who coordinates the nondiscrimination requirements of Section 504 of the Rehabilitation Act of 1973 is the Director of Special Education at (716)542-5077.

Grievance Procedure

The Akron Central School District has an established grievance procedure for the prompt and equitable resolution of complaints alleging discrimination based on sex or disability. For information regarding the District’s grievance procedure or questions about the District’s policy in regard to Title IX or Section 504, please contact the Superintendent of Schools, 47 Bloomingdale Avenue, Akron, NY 14001. Telephone: (716)542-5006.

District Policies and Procedures

District Web Site

The Akron Central School District website is our primary source of communication and is designed to promote and enhance educational opportunities and provide timely and appropriate information to the Akron school community and beyond.

Use of the Internet will be consistent with the District's mission, strategic plan and Board of Education policies.

District Technology

The District will make available a variety of technological resources to support learning and enhance instruction. Our goal is to provide access to diverse, state of the art technology tools to facilitate resource sharing, innovation and communication. The users (defined as any student, teacher, administrator, staff member or community member utilizing a District computer) of these tools take on certain responsibilities, including the use of technology in an ethical manner.

We encourage the use of computers and technology available at the District; however, with this privilege comes responsibility. Violations of District guidelines may result in a loss of access as well as other disciplinary or legal action.

Use of the District computer equipment, internet accounts, as well as networks and information contained on them is required to support the instructional program. While every reasonable effort will be made by District personnel to provide internet filters to questionable materials, the student and the parent/guardian also must accept responsibility of ethical usage of District facilities.

The District respects the right of each parent/guardian to be fully informed of all requirements of this policy and any procedures adopted to insure acceptable use of the District's computer system. Student access to the District's computer system will automatically be provided unless the parent has submitted written notification to the District that such access not be permitted.

All students have been assigned a Chromebook device. Parents and students are reminded of their responsibility for the care of and repair or replacement cost for District-issued devices as outlined in the Chromebook Handbook and Chromebook Acknowledgement.

Tobacco Free School

The Akron Central School District is proud to be a Tobacco Free School. The use of tobacco and tobacco products, including e-cigarettes, by students, employees, chaperones or visitors shall not be permitted on school property or at any school-sponsored off-campus event or activity.

The Akron Central School District recognizes that the use of tobacco products is a health, safety and environmental hazard to people and school facilities and has a comprehensive policy prohibiting its use for the benefit of all.

Registration

A child who transfers into the school district at any time during the year may be considered for admission provided the parents are legal residents of the District. Contact the Registrar's Office at (716)542-5039 for appointment times. Children entering kindergarten must be five years of age on or before December 1. Kindergarten registration is held in late winter.

Immunizations

New York State requires the following immunizations before registration or transfer into school:

- 4-5 doses of Diphtheria, Tetanus, Pertussis (DTaP)
- 3-4 doses of Polio (IPV)
- 2 doses Measles, Mumps, Rubella (MMR)
- 2 doses Varicella (chicken pox) or proof of disease
- 3 doses Hepatitis B
- 1 dose Tdap (Tetanus) for students entering grade 6 or age 11 years
- 1 dose Meningococcal for students entering grade 7
- 2nd dose Meningococcal for students entering grade 12 or age 16 years.

Student Physicals

New York State Education Law requires a health certificate or a health appraisal for students at school entry, pre-kindergarten, kindergarten and in grades 1, 3, 5, 7, 9 and 11. Physical examinations are also required for students participating in interscholastic sports and occasionally for students requesting a work permit. Before a child who is mandated to have a physical examination starts school, a parent/guardian must submit a health certificate signed by a licensed physician indicating the medical examination has been conducted within the previous 12 months. The school physician will conduct a physical exam if no health form is submitted. The NYS School Health Examination Form can be found at www.akronschools.org/physical.

New York State Education Law requires each student's health certificate or health appraisal include an assessment of Body Mass Index (BMI) and weight status. Selected school districts will be asked to report summary information about students' weight status group to the Department of Health. The information collected will be used to understand the severity and distribution of obesity among youth and to target resources for childhood obesity prevention to high-risk communities. No identifying information will be sent.

Parents may choose to have their child's information excluded from this report. If you do not wish to have your child's weight status group information included in the survey, send your request to the school nurse at the school your child attends. Include the statement: "Please do not include my child's weight status information in the 2026-2027 School Survey" followed by your child's name, the date, your printed name and signature.

The NYS Education Department recommends a dental certificate for all students required to have physical exams.

Administration of Medication

Under special circumstances, when it is necessary for a student to take medication during school hours, the nurse may administer the medication. The parent/guardian must provide the medication accompanied by a written physician's order to the Health Office. This includes prescription and over-the-counter medication. This is especially important for those students with a documented history of anaphylaxis requiring the use of an epinephrine pen or inhaler. It is not permissible (by NYS regulation) for the Health Office to provide medication to a student. All medication must be delivered to the Health Office by an adult in the original, labeled container, prior to the start of the new school year. Students are not permitted to transport medication to and from school. At year end, the parent/guardian must pick up remaining medications, including emergency medications, by the student's last day of class. All medications not picked up will be disposed of by the Health Office. Please contact the Health Office with questions. The Akron Schools Health Office receives physician orders from Healthworks of WNY.

Attendance

The Board of Education requires that each minor from six to sixteen years of age shall regularly attend school full time. As a member of the school community, it is each student's basic responsibility to be on time and attend all classes. Students are responsible for keeping informed of make-up work for time missed in class.

Each absence must be accounted for. It is the responsibility of the parent/guardian to notify the office on the morning of the absence and to provide a written excuse as soon as the student returns to school.

The following reasons for student absences or tardiness are recognized as valid:

- Sickness
- Impassable roads
- Religious observance
- Sickness or death in the family
- Required court appearances
- Approved school-sponsored trips

Notification is also required if a child needs to be excused early. No student will be released to the custody of any individual who is not a parent or guardian of the student, unless another individual has been designated in writing. Anyone seeking the release of a student should report to the school office.

District Policies and Procedures

Reporting Absences

The District has a dedicated phone line and email address in each building for a parent or guardian to report a child's absence from school. Absences should be reported as early as possible to:

Elementary School (716)542-5007 OR ESAttendance@akronk12.org
Middle School (716)542-5008 OR MSAttendance@akronk12.org
High School (716)542-5009 OR HSAttendance@akronk12.org

If the absence is reported by phone, the parent or guardian will receive an automated call from the District alerting and/or confirming the student's absence. The student must present a note to the main office, signed by the parent or guardian indicating the date(s) and reason for the absence upon their return to school. If the absence is reported by email, the parent must indicate the child's name, grade level, and reason for the absence.

Attendance can be the single most important factor in a student's academic success. Akron Central School takes student attendance very seriously and works to assist students with poor attendance in both policy and practice.

Homework

Homework provides an excellent opportunity for developing good study habits and encouraging self-initiative on the part of the student. Homework is a learning activity that increases in complexity with the maturity of the pupil. It should be considered a gradual, progressive and indispensable experience for all pupils. In an effort to provide education that will meet the varying needs of the students, it is the policy of Akron Schools to have some directed homework beyond the regular school day. Homework is the responsibility of the student, but parents can assist their children by:

- Providing a study area free of distractions and with good lighting,
- Asking questions about the content of student homework,
- Giving requested assistance, but letting the student do his/her own work,
- Avoiding undue pressure,
- Helping create a "homework habit" at the same time each day.

School Closing Information

Occasionally, it is necessary to close school in case of weather conditions or other emergencies that may pose a threat to the health and safety of students. The Superintendent of Schools makes this decision based on information from the Chief Operations Officer and in consultation with the State Police who monitor road conditions. Every effort is made to make the decision as early in the morning as possible. **NOTE:** In some instances, it may be necessary to delay the opening of school by 1 or 2 hours. Please have a plan in place. When Akron Central School is closed, Akron school buses will not transport any students, regardless of the school they attend. When schools are closed, all activities are cancelled within the building and all sport trips and field trips are also cancelled, unless specific approval is granted by the Superintendent. Due to child care issues, school will normally dismiss at regularly scheduled times, even in the event of bad weather. Only the most extreme conditions

warrant the early dismissal of students. The decision may be made, however, to cancel after-school activities. Please turn to one of the following radio or television stations for school closing information and/or cancellation of after-school activities.

Should an urgent situation occur, the District will send an emergency message to affected households through an automated mass notification system (phone call, text, and/or email). Because power outages may affect the reliability of the automated system, emergency information is also released to the following agencies:

- WBEN (930) • WGRZ - TV Channel 2 • Spectrum News
- WIVB - TV Channel 4 • WKBW - TV Channel 7

Communication

Good communication is essential to building strong school-community relations. The District employs a comprehensive communication system to convey news and vital information to school district residents, which includes formal publication of information in building and District newsletters, release of information to the media, and updates on our website at www.akronschools.org.

The District will utilize ParentSquare as the primary communication platform for all school, grade-level, and classroom communications. Through ParentSquare, school personnel will communicate with parents via email, text, the mobile app, or the web portal.

All guardians are strongly encouraged to download the ParentSquare app and register their accounts. Registering allows parents to customize notification preferences, send and receive messages with teachers and staff, fill out forms and permission slips, sign up for volunteer opportunities, and view calendar items.

Notes and flyers regarding school activities, such as Elementary Tiger Times or Tiger Tracks newsletters, plus informational letters from building principals or the superintendent, will be consolidated into your ParentSquare feed and available on the school's website.

Student Communication (Grades 6–12)

Parent-student communication is directly built into the ParentSquare platform for students in grades 6–12. Students in these grade levels will also be able to send and receive messages with their teachers, coaches, club advisors, and other related staff directly through ParentSquare.

Parent Portal

The Parent Portal, a web-based application for parents of Elementary, Middle and High School students, allows the parent/guardian to access their child's grades, attendance, class schedule and other information pertaining to academics. Report cards for all students are no longer mailed home unless requested through HS Student Support Services, the MS Office or Elementary Office.

Parents of kindergartners or new students will receive a letter with instructions to create their own username and password for access to the Parent Portal. If you need assistance recovering a lost username

or password, please contact the Technology Dept. at (716)542-5045. Passwords cannot be disclosed over the phone.

Community Use of Buildings

The Akron Schools belong to the community and are available to individuals or groups for worthwhile activities when they are not being used for school functions. Application forms for school building use may be obtained from the school website at www.akronschools.org or by phoning the Superintendent of Schools Office at (716)542-5006.

Crisis/Emergency Management Plan

The Safe Schools Against Violence in Education Law (SAVE) and Commissioner of Education regulations require school districts to establish a district-wide school safety plan. In order to provide a safe and secure environment, the Akron Central School District adopted a comprehensive plan that outlines specific actions and responses to any crisis or emergency. The plan was developed by a committee consisting of various school personnel, community members, parents, students, and police and fire officials. Building-based emergency response plans are in place in each school.

Public Access to Information

Certain District records are available for public inspection and copying in accordance with the Freedom of Information Act. Records available for inspection in accordance with the law may be inspected after an application for Public Access to Records form is completed and returned to the Records Management Officer. Records may be inspected in the presence of authorized school personnel during the regular workday. Copies may be obtained for 25 cents per page. Please call (716)542-5006 for more information.

Non-Public School Transportation

Akron Central School will transport students to nonpublic schools which are located within the statutory 15 mile limit. To qualify for the transportation the following requirements must be met.

1. REQUESTS MUST BE FILED IN THE DISTRICT OFFICE ON OR BEFORE THE APRIL 1ST DEADLINE.
2. Families moving into the District after April 1 must file a request within 30 days of residence.
3. The distance must be measured from the student's residence along the nearest available route to the school.

Akron Central School District will not provide transportation prior to the opening day of school at Akron Central School each September or when Akron Central School is closed for holidays.

Code of Conduct

www.akronschools.org/CodeofConduct

30

Purpose

The Akron School District Code of Conduct is intended to:

- Encourage appropriate behavior;
- Ensure the safety and security of all members of the school community;
- Promote a safe and effective learning environment.

The Code governs the conduct of students, school personnel, parents, and other visitors while on school property or attending school functions. It includes the range of penalties that may be imposed for code violations and defines the roles of essential partners (teachers, administrators, other school personnel, the Board of Education and parents) in maintaining safe, orderly schools.

Student Dress Code

All students are expected to give proper attention to personal cleanliness and to dress appropriately for school and school functions. Students who violate the dress code shall be required to modify their appearance by covering, changing, or removing the offending item.

Prohibited Student Conduct

Behavior that is disorderly, insubordinate, disruptive, violent, or endangers others is prohibited. Plagiarism, cheating, copying, altering records, or assisting students in such actions is considered academic misconduct and, therefore, prohibited.

Reporting Violations

All students are expected to report violations of the Code of Conduct to those in authority. District staff not authorized to impose disciplinary actions are expected to report violations to their supervisor. Any weapon, alcohol, or other illegal substance will be confiscated immediately. Code violations that constitute a crime may be reported to the appropriate law enforcement agency.

Disciplinary Penalties and Procedures

Disciplinary action, when necessary, will be firm, fair and consistent. As a general rule, discipline will be progressive. That is, a student's first offense will usually merit a lesser penalty than subsequent violations. The Code of Conduct contains levels of discipline ranging from oral warning to permanent suspension from school. Regardless of the penalty imposed, school personnel authorized to impose a disciplinary procedure must inform the student of the alleged misconduct. Students subject to more severe penalties have additional rights as spelled out in the Code of Conduct.

Alternative Instruction

When a student under the age of 16 is removed from class or is suspended from school, the District will take immediate steps to provide alternative means of instruction for the student. When a student over the age of 16 is removed from class or suspended from school, the District will provide instruction in a practical manner.

Discipline of Students with Disabilities

While all students are subject to the same Code of Conduct, the Board of Education recognizes that students with disabilities are entitled to additional procedural protections. The Code of Conduct affords students with disabilities subject to disciplinary action no greater or lesser rights than those expressly afforded by applicable federal and state laws and regulations.

Corporal Punishment

Corporal punishment is defined as an act of physical force upon a student and is forbidden except in cases where persons or property are placed in danger.

Student Searches and Interrogations

Authorized school officials may question a student about an alleged violation of law or the District Code of Conduct. Students are not entitled to a "Miranda" type warning, nor are school officials obligated to contact a student's parents before questioning. School officials, however, will tell students why they are being questioned. In addition, the Board authorizes certain school officials to conduct searches of students and their belongings if there is reasonable suspicion that such a search will result in evidence that the student violated a law or the District Code of Conduct. Searches will be limited to the extent necessary to locate the evidence sought. The rules regarding searches of students and their belongings do not apply to student lockers, desks, and other school storage places. Students should have no reasonable expectation of privacy with respect to areas considered school property. This means that student lockers, desks, and other school storage places may be subject to search at any time by school officials without prior notice to students and without their consent.

Visitors to the Schools - SINGLE POINT OF ENTRY

Akron Schools has instituted a single point of entry to the building during the school day to improve the safety of students, staff and visitors. All visitors must enter the building at the main front entrance near the flagpoles between the hours of 7:45 a.m. and 3:30 p.m. A School Safety Officer (SSO) will be stationed at this location to greet and admit visitors. A communication system will allow visitors to state their name and purpose of their visit prior to entrance. Once permitted entrance, visitors must present a driver's license to the SSO for scanning to the Visitor Management System; visitor must sign in. The driver's license will be kept with the SSO until the visitor returns to sign out. A visitor identification sticker will be printed and must be worn at all times while in the school or on school grounds. Once signed in, the SSO will direct visitors to the appropriate office to finish the sign in process before proceeding to their destination. When the visit is complete, all visitors must first sign out in the appropriate office before returning to the SSO at the front entrance to sign out, return the visitor identification sticker and retrieve their driver's license.

Please Note: Vehicles must be moved from the front bus loading area by 2:00 p.m. The District appreciates the cooperation and support of all visitors with regard to these procedures. Any unauthorized person on school property will

be reported to the principal or designee. Unauthorized persons will be asked to leave. All visitors are expected to abide by the rules of public conduct on school property as contained in the Code of Conduct.

Public Conduct on School Property

All persons on school property or attending a school function, including athletic events, shall conduct themselves in a respectful and orderly manner. In addition, all persons on school property or attending a school function should be properly attired. The District may rescind authorization to be on school property or attend school functions for any visitor who violates the rules of public conduct.

Dignity for All Students Act (DASA)

The Dignity Act Coordinators are Mrs. Tracy Martin for Elementary, Mrs. Leanna Parzych for Middle School, and Miss Nicole Johnson, High School.

Essential Partners

A. Parents

Transportation

The Akron Central School District's fleet of 38 buses log over 500,000 miles each year while also transporting over 160 students to 25 out of district locations. We also provide transportation for educational field trips, as well as athletic events. Transportation is provided to all students in grades K-5 and/or students in grades 6-12 as outlined in the school policy. In late August of each year, school bus assignments by road will be listed on the school website as well as published in The Akron Bugle. Each day, all students must be at the bus stop five minutes before the bus arrives.

The My Ride K-12 mobile app for Apple and Android devices allow parents and students to access their own secure data for bus stop location, route, pick up times and drop off times.

Late Buses

As a convenience, the District provides transportation home at 3:30 p.m. Monday through Thursday, and again at 4:30 p.m. Monday through Thursday, for students staying after for school activities other than athletics.

It is illegal to pass a stopped school bus when its red lights are flashing. This also applies to buses in the loading zone. Please obey the traffic law regarding school buses.

Food Services - Community Eligibility Provision

One of the most important ways to help children perform better in their classrooms is to provide them with the nutrition necessary for the healthy growth of their minds and bodies.

Akron Schools is pleased to inform parents of the continuation of the meal certification option available to schools participating in the National School Lunch and School Breakfast Programs for 2026-2027.

All students enrolled at Akron Central Schools are eligible to receive a healthy breakfast and lunch at school at **no charge** to the household each day of the 2026-2027 school year. Responsibility

Members of the Akron Board of Education are unpaid public officials elected at large by the voters of this District to three-year terms. The Board consists of seven elected community residents. The Board has the authority, under guidelines set forth in New York State Education Law, to adopt policies, rules, and by-laws to fulfill their responsibilities and to secure the best educational results for the students within their charge. The Board is the official policy-making body of the school District. In exercising their authority and performing their duties, board members act as representatives of all the citizens of the Akron School District.

Policies set by the Board are carried out by the Superintendent of Schools. The Superintendent is a professional educator hired by the Board of Education. He or she acts as an advisor, informing the Board of the needs, programs and progress of the school district. He or she is the Chief Executive Officer of the District, responsible for the execution of all School Board decisions regarding the operation of the District.

Agenda

Copies of the agenda for each meeting are available to community residents prior to the meetings at the District office, website and at the meeting itself. Agendas and supporting documents are e-mailed to Board Members on the Friday preceding the meeting to allow the members time to review and study the information.

Executive Session

The Board of Education opens the meetings, initially meets in executive session, and then begins the regular business meeting. Personnel matters, contract negotiations, litigation, lease of property, and other topics that are confidential as defined by the Open Meeting Law of the State of New York, are discussed in executive session. If necessary, the Board may go back into executive session at the end of the business meeting.

All executive sessions are closed to the public. However, the Board does not vote on resolutions while in executive session, and if action is necessary, may come out of executive session to vote on a matter.

Visitor Comments

An opportunity is provided at each Board meeting for residents to address the Board with questions, concerns, or suggestions. The Board welcomes community participation at the meeting. Anyone who wishes to speak to the Board may do so during the Hearing of Individuals and Delegations portion of the meeting using the comment cards. An individual or group may have an item placed on the Board agenda by contacting the Superintendent of Schools or the School Board President at least seven days prior to the Board meeting.

Day of Caring

Students of all ages in the Akron Central School District connected with their classmates and the community with heartfelt hands-on projects during the District's first Day of Caring on May 22, 2026.

"Today was a powerful reminder that education is not only about academics, but also about helping students understand the importance of service, compassion, and community. Watching our students work alongside staff members to give back with such pride and purpose was incredibly meaningful," said Superintendent Andrea Kersten

Taylor. "What we witnessed today truly reflected the spirit of #OneAkron and the values that make this community so special."

Locations visited included the Akron Fire Company, the Wright Center, Akron Newstead Library, Octagon House, Sutton Knight Museum, Akron Senior Center, Akron Village Hall and White Whiskers Senior Dog Sanctuary.
