Dear Future Second Graders,

Hi, Superstars! 🌟

I hope you are having the BEST summer ever! I hope you have been swimming, going on family vacations, playing outside, or just having fun with the people you love. I can't wait to hear all about your adventures!

Before school starts, I thought I'd tell you a few fun things about me! One of my favorite places is the beach in Ocean Isle Beach, North Carolina, where I love walking by the ocean, collecting shells, and watching the waves. I love spending time with my daughter, Kaylee, and my son, Aidan. I love to watch Kaylee play lacrosse, cheer for my nephew at Notre Dame lacrosse games, enjoy a dish of Penne a la Vodka, go to Pilates classes, and read.

Second grade is going to be full of exciting adventures! We'll read incredible books, write amazing stories, solve fun math challenges, discover fascinating things in science and social studies, and work together to become kind, confident learners. We'll laugh, create, explore, ask lots of questions, and celebrate our successes every single day. I promise our classroom will be a place where everyone belongs, everyone is important, and everyone is encouraged to be their very best.

Enjoy every minute of the rest of your summer! Keep reading, playing, exploring, and making wonderful memories with your family and friends. I am already counting down the days until we meet. Get ready for an unforgettable year! I have a feeling this is going to be our BEST YEAR YET!

See you soon! 

Love,
Mrs. Sullivan 🍎
