

August 2026

Dear Third Grader,

Hello! My name is Ms. Fluskey, and I will be your third-grade teacher! I can't wait to meet you, get to know you, and begin our fabulous third grade year together!

I hope you had a fantastic July and August. I had a wonderful summer with my husband and our two children, Jeremy and Karissa. Now I am so excited to hear all about your summer!

This year we will have a **blast** learning about cultures of the world, geography, and the United States. We will also explore and investigate the weather, life cycles, and forces. You will be so excited about the activities that are planned for the upcoming school year.

I look forward to meeting you on Wednesday, September 2nd. Our classroom is located on the first floor, room #14.

Enjoy the rest of your summer. Stay well, have fun, keep cool, and get ready for an **awesome** year!

.

Love,

Ms. Fluskey
