We believe that...

- Everyone deserves equitable access to the highest quality of learning to maximize individual potential.

- We all benefit when communities work together toward common goals.
- Lifelong learning is essential for individuals to shape and thrive in our global society.
- The greatest level of individual success is achieved through shared ownership by the individual, families, schools and our communities.

This handbook is meant to serve as a guide for students and families. Not every circumstance or event can be anticipated; therefore, students are subject to all district rules and policies and the interpretation by school officials thereof.

A copy of all St. Cloud Area Schools District 742 Board Policies is available on the District's Website at www.isd742.org. Please see your student's administrator if you have any questions about the district or our policies.

Any person or persons who interfere with the normal functions of the school or who engage in any unauthorized activity on school property shall be asked to leave. If they refuse, the school administrator or employee in charge may request their removal by law enforcement officers.

ADDRESS OR CONTACT INFORMATION CHANGES

COMMUNICATION - SKYWARD

St. Cloud Area School District 742 uses Skyward, a student information management system for communication and reporting of grades, discipline, and attendance. Up to date information is critical for timely communication between school and home. Parents can access this site by going to www.isd742.org and clicking on "Families" then "Skyward Family Access." The site requires a username (the first 5 letters of the last name, followed by the first 3 letters of the first name, followed by 3 zeros). An individually identified password will then be required. You can also get access to Skyward by contacting your school.

ANNOUNCEMENTS:

A concerted attempt will be made to make announcements in multiple formats which may include oral or printed and may be provided through multiple electronic formats in order to help students and families to be advised of all school related opportunities. Announcements include items of interest and importance to students.

CONFERENCES FOR FAMILIES/TEACHERS

Classroom teachers will meet with parent(s)/guardian(s) in a variety of formats (virtual, in-person, and phone.) during scheduled Family/Teacher Conferences. Communication between school and parents is critical, and this is an excellent time to work together in the best interest of your child.

DELIVERIES TO STUDENTS

Gifts, flowers, balloons and food (including birthday food items) from families and/or delivery services will not be allowed during the school day for safety reasons and due to the allergies of individuals.

DUE PROCESS

Students who are currently identified as having a disability, under the Individuals with Disabilities Education Act will be subject to the provisions of IDEA.

EARLY CHILDHOOD SCREENING

The early childhood years from birth to the start of Kindergarten are an important time of rapid learning and growth. Early Childhood Screening is a quick and simple check of how children are developing. Screening can be completed at the age of 3 until kindergarten entry. It provides caregivers with an overall snapshot of their child's development in the areas of language, motor, concept development, health, and social-emotional skills. It identifies, at an early stage, possible learning or health concerns so that children can get needed help before starting school. **Early Childhood**

Screening is required for entrance in a Minnesota Public School and is offered throughout the year by our district. For further information, contact the [Early Childhood Office](#) (320) 370-8250.

HELP ME GROW PROGRAM

Help Me Grow is a free program that connects families with resources and services that support their child's development from birth through kindergarten entry. If you have questions or concerns about your child's communication, learning, behavior, social-emotional development, motor skills, or overall growth, Help Me Grow can connect you with developmental screenings, community resources, possible special education services and other supports. There is no cost to families for referrals or assistance.

For more information or to discuss any concerns about your child's development, please contact the Early Childhood Office at **(320) 370-8250**.

EMPLOYMENT BACKGROUND CHECKS

The school district will seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district also will seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches, extracurricular academic coaches, assistants, and advisors.

EQUAL ACCESS TO SCHOOL FACILITIES

The school district will not discriminate against or deny equal access or a fair opportunity on the basis of the religious, political, philosophical, or other content of the speech at such meetings. These limited open forum meetings will be voluntary and student initiated; will not be sponsored by school employees or agents; employees or agents of the school will be present at religious meetings only in a nonparticipatory capacity; the meetings will not interfere with the orderly conduct of educational activities within the school; and nonschool persons will not direct, control, or regularly attend activities of student groups. All meetings under this provision must follow the procedures established by the school district.

LOST/DAMAGED PROPERTY

A fee restitution or community service will be assessed to students/families that reflects the replacement/repair costs when students:

- damage school property (lockers, desks, chairs, bus, etc.)
- damage/lost texts or library books
- school issued devices
- damage personal property of other students/staff

Fees must be paid to the school before the end of the school year. This will be at the discretion of administration.

Minnesota Statutes 120.101 provides that schools may charge for lost or destroyed textbooks, workbooks or library books. Students may be charged an appropriate replacement fee for textbooks, workbooks or library books lost or destroyed by students.

FOOD

Due to the safety and allergies of individuals, students or families may not bring homemade or commercial food or drink for distribution (e.g., birthday celebrations, etc.) during the school day. Students are encouraged to bring a reusable water bottle from home for continued water hydration; other non-water drinks are not permitted. Any foods brought to school must follow our allergy guidelines or they will be returned home.

FUNDRAISING

All fundraising activities conducted by student groups and organizations and/or parent groups must be approved in advance by the E-5th Grade Assistant Superintendent. Participation in nonapproved fundraising activities is a violation of school district policy. Solicitations of students or employees by students for nonschool-related activities will not be allowed during the school day. [Fundraising Form Link](#) [\(Board Policy 511\)](#)

GENERATIVE ARTIFICIAL INTELLIGENCE (AI) GUIDING PRACTICES

LANGUAGE ACCESS & SERVICE RIGHTS

Under Minnesota Statute 123B.32, all school districts and charter schools must adopt a formal Language Access Plan to ensure effective communication with students and parents. St. Cloud Area School District is dedicated to communicating meaningfully with all families. We provide free language assistance and accessible formats so all parents and guardians, including those with limited English proficiency or disabilities, can fully participate in their child's education. If you need language assistance, please let your child's teacher, school office, or any staff member know. You can also contact the district directly to request support.

Your Rights

- **Free Services:** You have the right to free translation (written) and interpretation (spoken) services. The most common supported languages in our district include Somali, Spanish, Arabic, and Vietnamese. If you need assistance in another language, please contact us so we can help.
- **Qualified Support:** The district provides trained, professional interpreters and translated materials. Students, siblings, friends, or untrained staff will not be asked to interpret.

- **Equal Access:** You are entitled to language assistance even if your child speaks English or if you have some English proficiency. For example, if you understand some English but feel more comfortable communicating in another language, you can still request interpretation or translation services. This includes parents and guardians who may only need help with certain meetings or written materials.

How We Identify

Your Language Needs

- **Enrollment:** Language preferences are recorded during registration. Welcome Center staff can connect you with an interpreter to help complete paperwork.
- **District Records:** Your preferred language is noted in our student information system (Skyward) so staff knows how to reach you.

Tools We Use to Communicate

- **Translated Notices:** Important district notices (via TransACT) are available in multiple languages, including Somali, Spanish, Arabic, Hmong, Russian, Vietnamese, and Karen.
- **Interpreters:** Qualified in-person and remote interpreters (such as Lexikeet and MARTTI) are provided for conferences, IEP meetings, and phone calls. To request or schedule an interpreter, please contact your child's teacher, the school office, or the staff member organizing your meeting as soon as possible before your appointment. Let them know which language you need. The school will arrange for an interpreter to be present, either in person or remotely, depending on your preference and availability. This helps ensure that language support is ready for your meeting or phone call.
- **Digital Platforms:** District platforms (Peachjar, Seesaw, Schoology) are used to send updates and reminders in your preferred language.

Appeals & Questions

If you feel your language access needs are not being met, please follow these steps:

1. **Step 1:** Contact your building principal to discuss your concerns.
2. **Step 2:** If unresolved, submit a written appeal to the Office of the Superintendent.
3. **Step 3:** If still unresolved, you may request a hearing before the School Board.

District Contact

For questions regarding language access services, contact the Executive Director of Belonging, Equity, and Strategic Communication at **320-370-8105** or Ayan.Omar@isd742.org. For questions about specific students, please contact your school's EL teachers.

MTSS (MULTI-TIERED SYSTEM OF SUPPORTS)

MTSS stands for "Multi-Tiered System of Supports." This means that on a daily basis, St. Cloud Area School District 742 staff work together to support every student academically, behaviorally, and socially based on ongoing needs.

MTSS is a problem solving team that typically includes principal/assistant principal, counselors, school psychologists, intervention staff (support rooms, truancy, academic) and general education teachers. This team meets regularly to address student referrals from families and staff. The problem solving process includes data analysis to determine next steps for student support. Schools have a variety of intervention supports which include social emotional, behavioral and academic.

LOCKERS

Students may be assigned a locker. A student's school locker is the property of the St. Cloud School District 742 and must be used for the following intended purposes: a storage area for books, school supplies, and outdoor clothing. The cost of repairing any damage to lockers will be charged to the student. All items must be removed from lockers at the end of the school year and any items left in lockers at the end of the year may not be returned. The use of a locker other than the one assigned to the student is prohibited.

School authorities may conduct periodic general inspections of lockers at any time, without notice, without student consent and without a search warrant. Any non-school issued or approved locks will be cut off immediately.

Parental discretion is advised when allowing students to bring valuable items to school. Please note, lockers are not secured. Expensive items such as headsets, handheld electronics, ipods, cell phones, video games, toys, collective cards, or other valuables should not be brought to school. St. Cloud Area School District 742 does not carry insurance for such items so please be aware of the risks involved.

LOST & FOUND

Numerous articles of clothing are lost and never found each year. This number can be greatly reduced when children are reminded that it is important to be responsible for one's possessions and to check the "Lost & Found" on a regular basis. Students' names should be placed on mittens, jackets, lunch boxes, etc. Clothing not claimed by the end of each month is donated to a charitable organization.

Parental discretion is advised when allowing children to bring valuable items to school. Expensive items such as headsets, handheld electronics, ipods, cell phones, video games, toys, collective cards, or other valuables should not be brought to school. St. Cloud Area School District 742 does not carry insurance for such items so please be aware of the risks involved.

MEALS

The Breakfast/Milk/Lunch Program records are computerized, and all students, with the exception of preschool, are given a PIN to access their Skyward account. Students receive a barcode that is scanned at the point of sale for breakfast and lunch. All money for meals is deposited into one account. Lunch accounts must have positive balances. When an account falls below negative \$.00, communication will be sent as a reminder until the account is brought positive.

Students in Kindergarten-12th grade are able to receive one breakfast and one lunch per day at no charge to the family. Extra items/meals will be charged on the district website at isd742.org and are updated each summer. Food allergy accommodation requests can be made by having your doctor fill out the form located at isd742.org or from your student's school nurse. See Allergy Statement located at isd742.org.

Families are strongly encouraged to fill out an Application for Educational Benefits each school year.

Meal Type	Breakfast	Lunch
Milk	\$0.50	\$0.50
Adult	\$2.55	\$5.30

Information regarding MN Free School Meals Program is available in school offices or at isd742.org
Please note: Single purchase items, such as a carton of milk, second entrees, and snack items Milk/Juice (for snack) are not a part of the MN Free School Meals Program. Free/Reduced Program. At the start of each school year an annual update is required by a healthcare provider.

MANDATED REPORTING

St. Cloud Area School District 742 school personnel are mandated by law to report suspected abuse or neglect of children. Situations that require a mandated report include physical abuse, sexual abuse, emotional abuse, or abuses of child custody arrangements.

NONDISCRIMINATION

The school district is committed to inclusive education and providing an equal educational opportunity for all students. The school district does not discriminate on the basis of race, color, creed, religion, national origin, sex, marital status, parental status, status with regard to public assistance, disability (or fail to ensure physical and program access for disabled persons), sexual orientation, including gender identity and expression, or age in its programs and activities. The school board has designated Tracy Bowe as the district's human rights officer and Title IX Coordinator to handle inquiries regarding nondiscrimination and the Executive Director of Special Education as the Americans with Disabilities Act (ADA) coordinator.

PARENTAL CUSTODY/GUARDIANSHIP

Parents sometimes request that one parent or another not be allowed to visit school, talk to their child/children, or pick their child/children up at school. In order for St. Cloud Area School District 742 to honor restrictions of this nature, a custodial parent/guardian must present a current court order or other legal document to the building principal. In most cases, such restrictions are set through legal proceedings. The information allows the principal to respond promptly to your request and be in conformance with the law, while recognizing the rights of both parents.

PARENT RIGHT TO KNOW

If a parent requests it, the school district will provide information regarding the professional qualifications of his/her child's classroom teachers, including, at a minimum, the following:

1. whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. whether the teacher is teaching under emergency or other provisional licensing status through which state qualification or licensing criteria have been waived;
3. whether the teacher is teaching in the field of discipline of the certification of the teacher;
4. whether the student is provided services by paraprofessionals and, if so, their qualifications.

In addition, the school district will provide parents with information as to the level of achievement of their child in each of the state academic assessments. The school district will provide notice to parents if their child has been assigned to, or taught for four or more consecutive weeks by, a teacher who does not meet applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

PHOTO IMAGE RELEASE

St. Cloud Area School District 742 likes to celebrate the achievements of our students and staff. Throughout the year, the Communications Department and other District staff may take photographs/video students at school, activities and events that appear in district/school publications including yearbooks, on district/school websites, district/school social media use and at school board or other public presentations.

Pursuant to [Board Policy 515](#), St. Cloud Area School District 742 has designated photographs and videos as "limited directory information" that may be released only for the following purposes: use by the District in official publications, promotional materials, or on the District website; use in an officially sanctioned school yearbook; or use as part of a District event.

If you do not wish to have your student's photo included in any of these district publications, you must complete an [OPT OUT form](#). This form is valid from the time of receipt through the end of the school year. Please return the form as soon as possible to your child's school, where it will be kept on file if you do NOT agree to release your child's image, work or quotations.

PHYSICAL EDUCATION

If your child is unable to participate in physical education activities, a health care provider's statement requesting non-participation must be provided to the school nurse. Excuses from physical education for religious or temporary physical reasons are handled on an individual basis.

PLEDGE OF ALLEGEANCE

Students will recite the Pledge of Allegiance to the flag of the United States of America the first day of the school week. Any person who does not wish to participate in reciting the Pledge of Allegiance for any personal reason may elect not to do so. Students must respect another person's right to make that choice. Students will also receive instruction in the proper etiquette toward, correct display of, and respect for the flag.

PRAYER

State and Federal law have made provisions for praying in school. When students leave an instructional setting to pray, the prayer practice must be central to faith tradition, not personal preference. St. Cloud Area School District 742 reserves the right to place reasonable time, place and manner restrictions upon any request for release from an instructional or non-instructional activity. St. Cloud Area School District 742 may require a valid note from a parent or guardian before a student may be allowed to leave instructional time for prayer. The time limit for prayer from an instructional setting shall not exceed fifteen minutes for each release. St. Cloud Area School District 742 reserves the right to deny any student release from instructional time for prayer or other religious observation if the student abuses the privilege. If there are any concerns or problems regarding a student's attendance or conduct at prayer, the school will contact the student's parents to discuss the concern.

RESIDENCE

A student's legal residence is where his/her parent(s) or legal guardian reside. Students who are living in St. Cloud Area School District 742 but not with a custodial guardian must report this to the office upon enrollment or a change of residence. Students may apply for an [in-district transfer](#) to any school through the [St. Cloud Area School District 742's Welcome Center](#) and must follow established policy and procedures.

RESOURCES

Links to additional educational resources are available on our District's and each school's website.

SCHOOL BOARD OF EDUCATION

The Board of Education meets regularly twice monthly on the first Wednesday (work session) and third Wednesday (business meeting) unless otherwise noted. The schedules, agendas, and directions for providing community input can be found on the school district's website at <https://www.isd742.org/about-us/school-board>.

SOLICITATION

All solicitations must have prior approval by administration and meet school district guidelines.

STUDENT PUBLICATIONS AND MATERIALS

The school district's policy is to protect students' free speech rights while, at the same time, preserving the district's obligation to provide a learning environment that is free of disruption. All school publications are under the supervision of the building principal and/or sponsor. Nonschool-sponsored publications may not be distributed without prior approval.

Distribution of Nonschool-Sponsored Materials on School Premises

The school district recognizes that students and employees have the right to express themselves on school property. This protection includes distributing nonschool-sponsored material, subject to school district regulations and procedures, at a reasonable time and place and in a reasonable manner. For detailed information, see the [Board Policy 505](#), "Distribution of Nonschool-Sponsored Materials on School Premises by Students and Employees" (Appendix 2).

School-Sponsored Media

School district [Board Policy 512](#) sets forth the rights and responsibilities of student journalists. Student media advisers shall supervise student journalists to ensure compliance with the law and school district policies. Students

producing school-sponsored media and participating in school activities will be under the supervision of a student media adviser and the school principal.. Expression in school-sponsored media or school-sponsored activity is prohibited when the material:

1. is obscene to minors;
2. is defamatory;
3. is profane, harassing, threatening, or intimidating;
4. constitutes an unwarranted invasion of privacy;
5. violates federal or state law;
6. causes a material and substantial disruption of school activities;
7. is directed to inciting or producing imminent lawless action on school premises or the violation of lawful school policies or rules, including a policy adopted in accordance with Minnesota Statutes, section 121A.03 or 121A.031;
8. advertises or promotes any product or service not permitted for minors by law;
9. advocates sexual, racial, or religious harassment or violence or prejudice; or
10. is distributed or displayed in violation of time, place, and manner regulations.

Expression in school-sponsored media or school-sponsored activity is subject to school district editorial control over the style and content when the school district's actions are reasonably related to legitimate pedagogical concerns. School-sponsored media may be distributed at reasonable times and locations.

STUDENT RECORDS

Access to Student Educational Records Under FERPA and the MGDPA

The St. Cloud School District recognizes its responsibility in regard to the collection, maintenance, and dissemination of student records and the protection of the privacy rights of students as provided in federal law and state statutes. Requests for the release of student information are governed by the Family Education Rights and Privacy Act (FERPA) and the Minnesota Government Data Practices Act (MGDPA). The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest,
 - Other schools to which a student is transferring,
 - Specified officials for audit or evaluation purposes,
 - Appropriate parties in connection with financial aid to a student,
 - Organizations conducting certain studies for or on behalf of the school,

- Accrediting organizations,
- To comply with a judicial order or lawfully issued subpoena,
- Appropriate officials in cases of health and safety emergencies, and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, information the school district identifies as "directory" information. For the St. Cloud School District, directory information includes the following:

- The student's name,
- Participation in officially recognized activities and sports,
- Weight and height of members of athletic teams,
- Dates of attendance (e.g. student attended school in St. Cloud from 2001-2005, not specific information about attendance on a particular date), and
- Degrees and awards received.

St. Cloud Area School District 742 has designated photographs and videos as "limited directory information" that may be released only for the following purposes: use by the District in official publications, promotional materials, or on the District website; use in an officially sanctioned school yearbook; or use as part of a District event.

In addition, the St. Cloud School District has identified as "limited directory information" that may only be shared with law enforcement personnel as follows:

- Student's home address,
- Telephone number,
- Date of birth,
- Class schedule,
- Parent/guardian names, telephone numbers and addresses, and
- Digital images of the student.

Requests for school records should be directed to the Principal's office at the school your student attends. For more information regarding student educational records, please refer to [Board Policy 515](#) or contact Executive Director of Human Resources Tracy Flynn Bowe who serves as the Data Practices Officer for the School District.

STUDENT SURVEYS

Students will be asked to participate in surveys. The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires the district to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):

- Political affiliations or beliefs of the student or the student's parent;
- Mental and psychological problems of the student or the student's family;
- Sex behavior or attitudes;
- Illegal, antisocial, self-incriminating, or demeaning behavior;
- Critical appraisals of other individuals with whom respondents have close family relationships;
- Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- Religious practices, affiliations, or beliefs of the student or the student's parent; or
- Income, other than as required by law to determine program eligibility.

This requirement also applies to the collection, disclosure, or use of student information for marketing purposes ("marketing surveys") and certain physical examinations and screenings.

TELEPHONE CALLS

To maximize learning time, teachers will be notified of phone calls and return them as soon as possible. Students may use the phone for emergencies with adult permission. Please assist us by making every attempt to make arrangements for after school activities prior to the school day.

VOLUNTEERS

Parents/guardians are welcome in the schools and are encouraged to volunteer in their children's schools. Once approved through the district background check process, volunteers can connect directly with their child's school administration team regarding school-specific volunteer opportunities. All parents/guardians who visit the school must sign in at the main office or building check-in station before entering a classroom. All volunteer arrangements must be prearranged with the classroom teacher.

WITHDRAWING FROM SCHOOL

It is the responsibility of the parent/guardian to contact the new school to request transcripts and transfer of records.

PART II — Academics

ACADEMIC ACCELERATION AND RECLASSIFICATION

All students are expected to achieve an acceptable level of proficiency. Students who achieve at an acceptable level will be promoted to the next grade level at the completion of the school year. ASSESSMENT & STATE TESTING

Every Child Is More Than a Test Score

At St. Cloud Area School District 742, we believe assessment is about **understanding learning**, not simply giving tests.

Teachers use many sources of information to understand each student's strengths, celebrate growth, and determine the next steps for learning. Assessment is an ongoing part of teaching and learning that helps ensure every student receives the support and challenge they need to succeed.

No single test that we give tells the whole story for any child.

Teachers understand learning through many sources of evidence as shown in the graphic below.

All of these come together to support one goal: Understanding the Whole Child and their Next Steps for Learning.

Questions?

Your child's teacher is the best source of information about your child's learning and test scores. We encourage families to ask questions and partner with us throughout the school year.

Learn More

- Learn about the tests given, their purpose and rationale for use and the timelines they will be offered
 - [District Assessment & Testing Plan](#)
 - Statewide tests are administered annually in grades 3-8, and 10 in Reading; 3-8, and 11 in Math; and grades 5, 8 and once in HS in Science.
 - More information detailing these can be found on the [Minnesota Department of Education's website](#).
 - More information detailing your schools specific testing schedules will be made available to parents via the school website and through schoolwide communication channels.

COUNSELING

The school counselors provide support to students experiencing academic, safety, and social and emotional concerns. Students and families are invited to request appointments to visit with the school counselor as needed.

FIELD TRIPS

On occasion students will attend educational field trips. All field trips will be ~~properly~~ supervised and the classroom teacher/advisor will notify parents/guardians prior to any field trips that students will attend. If you DO NOT want your child to participate in the field trip, please contact your child's teacher. In cases where the school requests additional adult supervision, chaperones must have a completed background check. (Volunteer Packets are available at your child's school, Community Education, or through the [district website](#)).

GRADE REPORTING

Report cards will be available to students/families after the conclusion of each trimester.

Standards Based Grading

Students earn grades based on their progress toward or mastery of state content standards. Students can earn between a one and a four. A one indicates little to no mastery of the standard, a two indicates making progress toward the grade level standard, a three indicates proficiency and a four indicates the student demonstrated mastery above grade level

HOMEWORK

Homework assignments will vary, depending on the grade level of students. Families can encourage good study habits and practices by providing a quiet study area and establishing a consistent time each night for homework/reading.

RECESS

When weather permits, all students will go outside for recess. Please dress your child appropriately for the weather. A coat, snow boots, pants, hat, and mittens or gloves are required during the winter season. If your child has health concerns that will limit him/her from going outside, contact the school health office. The school may require a note from the doctor. Students will not go outside if the wind chill or temperatures are below zero degrees Fahrenheit.

PART III - Rules and Discipline

ABSENCES / ATTENDANCE

The State of Minnesota requires all students to attend school. Attendance is addressed in [Board Policy 503](#). Regular attendance is directly related to successful academic achievement and consistent school attendance is the way a student develops responsibility and self-discipline. For this reason, student absence from school should be limited to those instances in which absence is genuinely unavoidable. Please make every attempt to make medical and dental appointments after school hours or during vacation days. If it is necessary to take a child out of school, parents will be required to sign an early release in the office. The State of Minnesota requires that every child entering Kindergarten this school year must graduate from high school or remain in high school or in an alternative program until age 18. Only those who have been accepted into the military or at an institution of higher learning can leave school before they are 18 years old.

Because attendance records are an important part of your child's permanent school file, St. Cloud Area School District 742 Policy requires parents/guardians to call the school office when their student will be absent or arrive late AND to state the reason for the absence or late arrival. Students who arrive late should report to the office before going to their classrooms.

Families must also contact the school principal prior to a student leaving on extended family trips or vacations during days in which school is in session.

Students will be checked out only from the main office during the school day. If you must take your child out of school, a written request should be sent to the attendance secretary with the date and time of dismissal. Please come to the office to meet your child. Children will not be released to waiting cars or to anyone who cannot identify themselves to the satisfaction of school personnel.

Absences – Excused

An excused absence is a legal absence from school and requires parent/guardian verification to the attendance secretary. The following are situations that constitute an excused absence:

- Student illness.
- Serious illness or death in the student's family.
- A death or funeral in the student's immediate family.
- Medical, dental or orthodontic treatment, or counseling appointments.
- Court appearances.
- Recognized religious holiday observance or cultural practice, observance or ceremony.
- Religious instruction (not to exceed 3 hours/week).
- Vacation with prior administrator approval.
- Impassable roads/inclement weather .
- Dismissal of a student pursuant to a suspension. Suspensions are to be handled as excused absences and students will be permitted to complete make up work.
- Family emergencies.
- Tournament play when the school is involved.
- A student's condition that requires ongoing treatment for a mental health diagnosis.
- In the case of special circumstances, administration may approve additional excused absences.

After 15 days of any excused absences, a health care provider's note is required for subsequent absences. Failure to provide a health care provider's note will result in the absence marked as unexcused.

Absences - Illness During the Day

Students who become ill during the school day must report to the Health Office. The Health Office will make the necessary arrangements for students to go home per illness guidelines and/or per parent request. **Students should never leave the building ill without reporting to the Health Office or the absence may be considered unexcused.**

Absences - Reporting

Parents are expected to call before 9:00 a.m. on the day of their child's absence. Attendance line or voicemail is available 24 hours a day. Automated attendance calls will be made to families who have not reported their child's absence each morning.

Absences - School Related

Official school field trip or other school-sponsored event.

In the case of special circumstances the administration may approve additional excused absences. Students are responsible for making up all missed work.

Absences- Suspension Related

Absences due to suspension are excused. The Attendance Office will contact teachers to provide assignments for all suspensions. These assignments will be available in the main office for pick-up.

Absences - Tardy to School

Students who do not arrive to school on time for any reason must be checked in at the main office by a parent/guardian prior to going to class. These tardies will continue to be tracked by the main office.

Absences - Truancy

The State of Minnesota requires all students to attend school. Excessive truanancies (more than seven) will be reported to the County Attorney who will refer the case to Court Services for possible legal action.

Minnesota Statute allows the courts to utilize the following consequences for students referred for truancy: monetary fines, community service hours, and/or placement outside the home. Other consequences may be applied as deemed appropriate by an administrator and detailed in the [Code of Conduct: Rights and Responsibilities](#).

Absences – Unexcused

Unexcused absences are recorded when:

the school has not been notified of an absence, or an absence could have been avoided or delayed, or prior arrangements and/or approval have not been made through the Principal's Office.

Minnesota State Law concerning educational neglect states that parents or guardians of a child under 12 years of age are held accountable for any unexcused absences. Every student, regardless of age enrolled in school, must follow the Compulsory Attendance law.

Consequences of unexcused absences are as follows:

- After 3 unexcused absences – parents notified by letter.
- After 5 unexcused absences – second letter sent to parents and County Attorney's Office notified.
- After 7 unexcused absences – school administration requests to file a truancy/ educational neglect petition with the County Attorney.

If more than one student is involved in perpetrating the bullying, the administrator shall talk to each of the offending student(s) separately. After the investigation has been completed, the building principal shall take appropriate action consistent with the bullying policy.

Data Privacy Act: Reports of bullying are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law.

An Accident Report form should only be completed for accidents that happen outside of the school day or during a Field Trip. This information is required for insurance claims.

ALLERGY AWARE SCHOOLS

The St. Cloud Area School District takes all allergies, including food and latex allergies seriously. Recognizing that the risk of accidental exposure to allergens including food allergies can be reduced in the school setting, we are committed to working with students, parent(s)/guardian(s), and medical providers to minimize risks and provide a safe educational environment for students with allergies. St. Cloud Area School District Food Service will make reasonable accommodations after receiving a signed request from a health care provider through dietary orders, a District [Special Diet Statement](#) form or as stated in a child's emergency care plan. The health care provider's orders must include the items the student cannot eat and include the items that can be substituted. At the start of each school year an annual update is required by a medical provider. In order to reduce the risk of exposure for students who have an allergy to

peanut/tree nut products, these items are not served in the school lunch and breakfast programs. Schools are not able to monitor lunches or products sent from home. Families are asked to refrain from sending food items containing peanuts, peanut products, almonds, cashews, walnuts or other tree nuts to school. Families are encouraged to contact the Licensed School Nurse if they have questions pertaining to an allergy that could affect their child's health and safety at school.

COMMUNICABLE DISEASES

School district personnel are responsible for reporting communicable diseases to the Minnesota Department of Health. Please notify your school nurse if your child is diagnosed with a communicable disease by a health care provider. Students who are suspected of having a communicable disease may be sent home after the student's family has been notified.

CONCUSSIONS

If a student has suffered a concussion, report this to their school nurse and school counselor to ensure concussion protocol is being followed. Please provide a copy of their concussion care plan from their health care provider to the school nurse. The school nurse and/or school counselor will notify appropriate staff to ensure accommodations are made.

EMERGENCY CONTACT INFORMATION

It is the responsibility of families to provide current emergency contact information to your child's school during the first week of classes and throughout the school year when information changes. When students become ill or are involved in an accident during the school day, families will be notified so suitable arrangements can be made. If it is necessary to take a child out of school, parents/guardians will be required to sign the student out in the school office.

- History of past illnesses and operations.
- Dates of immunizations.
- Results of vision and hearing screening.
- Results of professional examinations.

Emergency information for each student must be on file with the school nurse.

ILLNESS/INJURY

Many parents are frequently concerned about when students should stay home. The following recommendations are intended to help with this decision:

- **Elevated temperature** – must be temperature free for 24 hours without a fever reducing medication such as Tylenol or Ibuprofen. A temperature/fever is considered 100.4° F or higher.
- **Illness Related Vomiting and/or Diarrhea** – minimum of 24 hours without a vomiting and/or diarrhea episode before returning to school
- **Strep throat** – Minimum of 12 hours on antibiotic before returning to school
- **Nose discharge** – thick, colored drainage (may need to be evaluated by a healthcare provider)
- **Rash** – that hasn't been diagnosed by a health care provider requires a letter from a health care provider indicating diagnosis before returning to school
- **Reddened or Pink eye** - refers to an inflamed eye. It often includes sticky discharge from the eye and pinkish tint to the sclera (whites of the eye). Contact your child's health care provider for advice/treatment. Children may be at school with symptoms and eye drops are not required.
- **Cough** - repetitive coughing that interferes with a child's activity, play, or learning may need to be evaluated by a health care provider.
- **Select contagious diseases (Pertussis, Influenza, RSV, Chickenpox, Measles, COVID-19, etc.)** - stay home and contact your school nurse for a return to school plan.

If a child becomes ill at school, the school will notify parents or legal guardians by telephone. If the school is unable to reach the parents or legal guardians, the person listed as the emergency contact may be called and requested to pick up the child. In cases when the school is unable to contact the parents, legal guardians, or alternate contact person, and the situation appears to be one in which the child requires emergency medical attention, 911 will be called.

Note from Doctor (Restrictions or recommendations): If your child has seen a doctor for a major illness or injury. Please provide any doctor notes, restrictions, and recommendations to the school office before your child returns to school. The school office and school nurse will work with families to provide adequate accommodations.

If you have any questions regarding your child's health, please contact the school nurse.

Head Lice (Pediculosis) Protocol:

St. Cloud Area School District 742 Head lice procedure is in accordance with current evidence-based practice and is based on recommendations from the Centers for Disease Control and Prevention (CDC), the American Academy of Pediatrics (AAP), and the National Association of School Nurses (NASN). The CDC states "students diagnosed with live head lice do not need to be sent home early from school; they can go home at the end of the day, be treated, and return to class after appropriate treatment has begun. Nits may persist after treatment, but successful treatment should kill crawling lice." When a case of head lice is suspected, the student will be assessed by the school staff. If a case is confirmed, the parent/guardian will be notified by the end of the school day to arrange for treatment. Entire classrooms will not be screened if a case of head lice is suspected in the class. Should a case of head lice be identified, school staff will send home a "Notification of Head Lice" letter (NS08.04) to parent/guardian of preschool through elementary aged classrooms if two or more cases are identified in a classroom. Cases identified by school staff and/or by parent notification will be documented (logged) for tracking and rescreening purposes.

Human Bites/Exposure to Body Fluids:

On occasion, episodes of biting occur in the school setting. Because of the potential of exposure to contagious illnesses, the school plan is to notify the parents of the students involved. When a biting incident occurs, the

school may recommend contacting your child's health care provider for his/her input. The potential exists for exposure to blood and body fluids by all students, and particularly those in contact sports. The school nurse may recommend parents contact their health care provider for follow-up care in the event of such exposure.

INDIVIDUAL HEALTH PLAN (IHP)

Students who have special health care needs may need an individual health plan (IHP) on file at school to communicate how to meet a student's health needs during their educational day. IHP's are created in partnership with health care providers and parents and are updated on an annual basis. Students who have an IHP may also qualify for a 504 Plan. If a child's medical issues significantly limit one or more major life activities, including school, then they should have a 504 Plan. The goal of a 504 Plan is to level the playing field by providing accommodations and modifications that allow the student the same opportunities as their "typical" peers. Contact your school nurse if you would like to discuss a 504 evaluation for your child.

All prescribed or over-the-counter medications must be dispensed through the health office and have a medication authorization form signed by a parent/legal guardian and health care provider completed annually. Students who are able to self-carry medications, such as inhalers and EpiPens must have documentation on file from their health care provider in the health office. All medications at school must be in a pharmacy labeled container. Parents are responsible for picking up their child's medications at the end of each school year. Medications not picked up after multiple attempts by the school nurse to contact a student's family will be destroyed.

MINNESOTA'S IMMUNIZATION LAW

The student's parents/guardians have the right to review and challenge their child's records, including the data documenting the history of violent behavior.

"Contraband" means any unauthorized item, the possession of which is prohibited by school district policy and/or law. Students found to be in violation of this policy are subject to discipline in accordance with the school district's "Student Discipline" policy, which may include suspension, exclusion, expulsion, and, when appropriate, the student may be referred to legal officials.
