After you sign up online, you will see a confirmation page. There will be a link for you to print out the consent form for vaccinations. You only need to print out one consent form for vaccinations. B12 will require a separate form. If you have questions about any particular vaccination, please see our nurse on the day of the clinic.

COVID-19 vaccines will be available for participants age 18 and up. The most updated formula available at the time of your clinic will be offered and current CDC dosing guidelines will be followed.

For individuals age 65 and over, only flu vaccines can be administered if using insurance. Age appropriate vaccines can be administered to those 65 and over that are paying out of pocket for the vaccine.

If you received routine vaccinations from Staying Healthy Medical Services, other than flu, in previous years and need a copy of your records, please email us at info@stayinghealthymedical.com. In the email you will need to include your name and birthdate. Depending on the carrier, insurance claims may be filed as Community Health and Immunization Services or Staying Healthy Medical Services.
