Dear School Connected Organization,

Thank you for your continued support of the students of Central Unified School District.

School Connected Organizations (PTA, PFC, Booster Clubs, etc.) require annual approval by the Board of Trustees to continue operating as recognized school-connected organizations. To that end, all required documentation for the 2026–2027 school year must be submitted on or before **September 15, 2026**, for approval at the October 2026 Board of Trustees meeting.

Mandatory School Connected Organization Application Training **Required**:

Date: Wednesday, September 2, 2026

Time: 6:00 p.m.

Location: Central East High School Library

3535 N. Cornelia Avenue

Fresno, CA 93722

School Connected Organizations and Booster Clubs are composed of parents, community members, and staff who support specific school activities, such as athletic teams, debate teams, musical groups, and more. One key requirement is that the organization remains actively engaged with the school site(s) to which it is connected.

As part of this engagement, please provide site administration with a list of student participants from your organization who attend the affiliated school site. This verification ensures compliance with school-connected organization requirements and supports site-specific coordination.

Additionally, please provide the following:

- A flyer announcing your school activity dates
- A brief description of each event

Please note that, as a school-connected organization, there should be no fees charged to participating students.
