

ANNUAL REPORT

2025-2026

Dear Members of the Catholic Central Community,

TEACH ME GOODNESS, DISCIPLINE, AND KNOWLEDGE.

More than words on a crest, it is the lens through which we see this school year, and through which we are honored to share this year's Annual Report, recognizing every donor who gave between July 1, 2025 and June 30, 2026.

This was a year of goodness, witnessed in a community that opened its heart again and again. Your generosity and compassion helped raise more than \$5.6 million, not including our own students who raised a record-breaking \$1.2 million for tuition assistance through the DRIVE fundraiser.

These are not simply numbers on a page. They are proof of a shared commitment that every deserving young man who wants to attend CC should be given that opportunity, and that our students themselves are willing to work for that promise on behalf of their brothers.

This was a year of discipline, seen in the steady, deliberate way your support was put to work. Because of you, more students received tuition assistance. Our extracurricular programs grew stronger. Faculty and staff had greater access to professional development. Our athletics and arts programs were enriched in ways that will shape students for years to come. None of this happens by accident — it happens because a community shows up for its school, year after year, gift after gift.

And this was a year of knowledge, carried forward in the achievements of students who went above and beyond in the classroom, on the field, and in their faith. The 2,058 donors named in this report — alumni, parents, grandparents, and friends alike — have impacted every single one of those students. Your gift is more than a transaction; it is an enduring act of faith in who they will become.

Your gift matters at CC, today and always. The world is a better place with more Shamrocks in it.

Go Shamrocks!
