Dear MJMS Parents and Guardians,

We are excited to offer our students a variety of clubs and opportunities to get involved at MJMS this year!
Attached, you will find a **Club Information Slideshow** with details about the clubs available and instructions for how students can sign up. As you review the slideshow with your student, please be sure to:

- Complete **any forms linked in the slideshow** for the club(s) your student would like to join.
- Review the **contact information provided for each club** and reach out to the club sponsor if you have any additional questions.
- Look for a **club permission form** that your student will be bringing home. This form **must be signed and returned before your student can attend club meetings.**

We encourage students to find a club that matches their interests and get involved in the MJMS community. Clubs are a great way to meet new people, try something new, and show some **Bear Pride!** 🐻 🧡 🖤

Thank you for helping us make sure all necessary forms are completed. We are looking forward to a great year of clubs at MJMS!

We will also be strating a JROTC club in Sept with the help of the Green Hill instructors. We will have more information in a few weeks for students and families.
