

Updated Student Drop-Off/Pick-Up Procedures

With the opening of the new Conestoga athletic fields and the completion of the field improvement project, additional areas of campus are now available for student drop-off and pick-up. These enhancements are designed to improve traffic flow and provide families with more convenient access points throughout the campus. We have attached maps to assist with your understanding of these changes. Road access to the campus now differs in two important ways:

1. The field access road connecting Irish Road and Cassatt Road will be open during drop-off and pick-up.
2. Old State Road is now a completely two-way roadway from Cassatt Road to Conestoga Road. However, the Bus Circle will continue to operate as a one-way lane, and drivers are expected to follow all posted signs and traffic directions in this area.

AM Drop-off. Families have four location options for AM drop (please refer to the attached campus map):

- **Lower North Parking Lot (Location 1)**
- **Field access road between Irish Road and Cassatt Road (Location 2)**
- **Main Lobby Entrance off Irish Road (Location 3)**
- **Bus Circle Entrance off Old State Road (Location 4)**

PM Pick-up. Families have three options for receiving students at the end of the school day:

- **Lower North Parking Lot (Location 1)**
- **Field access road between Irish Road and Cassatt Road (Location 2)**
- **Main Lobby Entrance off Irish Road (Location 3)**

The Bus Circle is NOT available for PM pick-up due to the queuing and boarding of the school buses.

The following pages provide an overview of the AM and PM options, and detailed instructions for each. Once you have decided on your preferred locations, please read the specifics to ensure you will enter and exit the campus in the direction we have established to help ensure a safe and efficient arrival and dismissal process. Please follow all posted campus signage and refrain using any unauthorized locations as pick-up or drop-off sites.

We recognize that adjusting to the new patterns may take some time during the opening weeks of school, and we appreciate your cooperation and patience. Working together will help ensure a safe experience for everyone. We look forward to welcoming our students back and beginning another outstanding school year.
