

Bus Route Information

Your bus route assignment is listed in PowerSchool.

- From a web browser (not the app)
 - Go to www.eccrsd.us
 - Log into PowerSchool
 - Choose Bus Pass - the last option at the bottom of the Navigation menu.
 - Print or take a photo of the bus pass; passes need to be ready to show the driver upon entering the bus every day
 - Passes must include the name of the student. Passes with only a portion of the information will not be accepted.
 - Printed passes need to be legible. Torn passes need to be replaced.
 - Photos on a phone should be in an album to avoid long waits
- You must either have a digital pass (photo) or print it to show the bus driver.
- Students may only ride the route as assigned in PowerSchool.
- Route information is not provided over the phone or via email.
- Students need to be at the bus stop 5-10 minutes before the time listed on the bus pass. The bus does not wait for students.
- Eastern refers to the bus route and not an actual number on the bus.
- Routes are assigned a specific spot. If the spot your route parks in is empty, go toward the Main Entrance. Buses arriving late for a route will be at the end of the line.
- Bus stops and routes change. Be certain to check your bus pass for the current year.
- Routes are completed by both district buses and contractors.
- Be certain you check your bus pass for the correct one EVERY YEAR.

In PowerSchool, you will be able to see:

- The bus company name and contact number
- Route number
- Bus stop location and the approximate morning arrival time

Example, actual wording may differ slightly:

Bus	Bus Contact	Route	Bus Stop	Start Date	End Date	Pick-Up Time
