The American Indian Parent Advisory Committee (AIPAC) Roster

About Membership

Per Minnesota Statutes 2024, section 124D.78, subdivisions 3, The American Indian Parent Advisory Committee must be composed of parents or guardians of American Indian children eligible to be enrolled in American Indian education programs; American Indian secondary students; American Indian family members of students eligible to be enrolled in American Indian education programs; American Indian language and culture education teachers and paraprofessionals; American Indian teachers; American Indian district employees; American Indian counselors; adult American Indian people enrolled in educational programs; and American Indian community members. The majority of each committee must be the parents or guardians of the American Indian children enrolled or eligible to be enrolled in the programs.

About the Roster and Sign-In Sheet

The AIPAC roster is for committee members only. This form is electronic and fillable. You must include the committee member's name, email, and phone number in the first column. Subsequent columns contain a drop-down menu option. Select the best option for each particular committee member.

If an employee identifies as American Indian, they are eligible to serve as a voting committee member and may be included on the roster, rather than the district, charter school, cooperative, and Tribally controlled school sign-in sheet.

Submission

The first submission is with your American Indian Education Aid program plan, the second submission is with your annual compliance documents.

Submit completed rosters to the Office of American Indian Education (mde.aiea@state.mn.us).
