

CONSENT TO SHARE CHILD NUTRITION PROGRAM ELIGIBILITY INFORMATION

Bellingham Public Schools

School Year: 2026-27

If your household qualifies for free or reduced-price meals, your child(ren) may be eligible for decreased/waived fees to participate in other school programs. However, we need your permission to release your Child Nutritional Program eligibility status to other programs.

For more information about free or reduced-price eligibility, please visit the food services page of Bellingham Public Schools website.

This consent form is optional and answering yes or no will not affect your child's eligibility for free or reduced-price meals or Summer-EBT benefits. Your answers authorize release of name and eligibility only. No other information or demographics are allowed to be shared. Individuals or programs receiving your eligibility information through this release form will keep your information confidential.

Bellingham Public Schools will use this release to determine your access to decrease/waive fees for extracurricular school programs. Your consent to share information will remain in effect until the end of the current Bellingham Public Schools school year.

Please indicate below whether you authorize eligibility status to be shared for each child by completing this form.
