

Welcome to STUDENT SERVICES

Welcome to an exciting new school year! As we bring our 6th, 7th, and 8th grade students together under one roof, the Student Services Department is thrilled to be part of this journey. Middle school is a time of growth, discovery and new experiences, and we are committed to supporting students academically, socially, and emotionally. We look forward to partnering with families, staff, and community members to help every student feel connected, confident, and successful. Whether we're helping students navigate challenges, celebrate achievements, or simply providing a listening ear, our door is always open. Here's to a year of new beginnings, meaningful connections, and lasting memories!
