Week 3: Building Momentum, Growing Together!

Dear Johnakin Middle School Families,

We are officially entering Week 3, and I am so proud of the way our students and staff continue to settle into the routines and expectations of the new school year. We are building momentum, strengthening relationships, and keeping our focus where it belongs, on student achievement!

Every day is an opportunity for our students to learn something new, make progress, and become the best version of themselves. Let's continue working together to make this a successful school year!

Academics: Data to Drive Achievement

Our teachers will continue reviewing and analyzing our students' i-Ready ELA and Math Diagnostic Assessment results. This information will help us identify strengths, determine areas for growth, and provide students with instruction that meets their individual needs.

Students, remember that your assessment results are not a label, but a starting point for growth. We want you to know where you are, understand where you need to go, and work hard to get there!

This week, students are encouraged to:

- Come to class prepared and ready to learn.
- Ask questions when they need help.
- Complete assignments with their best effort.
- Set academic goals for themselves.
- Take pride in their progress!

Celebrations

We want to celebrate our students and staff for the positive energy they are bringing to Johnakin Middle School! From classroom learning to extracurricular activities, our Foxes are continuing to demonstrate that achievement is an everyday commitment.

We also appreciate our parents and families for your continued support. Your partnership makes a difference!

Attendance Matters!

Every minute. Every class. Every day.

Regular attendance is one of the most important factors in student success. When students are at school consistently and on time, they have more opportunities to learn, participate, build relationships, and stay on track academically.

Parents, please help us by making sure your child:

- Arrives at school on time.
- Attends school every day possible.
- Is prepared and ready to learn.
- Makes up missed work following an absence.

Our goal is simple: Every Fox, Every Day!

Parent Reminders

- ✓ Please check your child's grades and schoolwork regularly.
- ✓ Encourage your child to read each day.
- ✓ Talk with your child about their academic goals and progress.
- ✓ Review upcoming school events and important dates.
- ✓ Continue communicating with your child's teachers and school staff.

Principal's Message: Lights, Camera, Achievement in Action!

As we move into Week 3, I want to remind our students that success does not happen by accident but through consistency, effort, and determination.

We have started strong, but we are just getting started!

At Johnakin Middle School, we are committed to creating an environment where every student is challenged, supported, encouraged, and expected to achieve. It will take all of us students, teachers, staff, parents, and our community partners working together.

The cameras are rolling, Foxes. It's time to put achievement in action!

Let's make Week 3 another great week at Johnakin Middle School!
