Infinite Campus & Volunteer Training

Being involved in your child's academic life opens communication between you, your child and the school. Using the Portal to review your child's assignments, attendance and academic progress aids in your student being more active and aware of their success.

Volunteer Training is made available to individuals interested in volunteering in Richmond County schools. Volunteers may help with classroom activities, computer labs, field trips, mentoring, office duties, storytelling and tutoring, just to name a few. If you have any questions, please contact Mr. Willis (Parent Facilitator) at (706) 796-4952 ext. 2714
