

Cheat Sheet for Navigating the Lucas Parking Lot

- Please think of the block around the school like a clock. (See the arrows.) Please approach the school from the south and turn right into the parking lot. (coming up the hill and turning left into the lot is HARD)

- WHAT is Car-line and WHERE should I go?
  This is where the parent drives up and a teacher opens your car-door and ushers your child into their seat/seatbelt! It's great when you have small siblings, it's raining, or cold.

  Pull past the school over the crest of the hill, turn right into the larger parking lot, and please PULL as far forward as possible along the sidewalk. A teacher will bring your child to your car, to speed up the process. You can place a paper on the dashboard with the names of all the children for that vehicle.

- Walkers: Siblings are allowed to pick up kinders and walk to meet parents or walk home. Siblings can meet us in CarLine.

- Areas to avoid:
  1) the small circle drive- is only for buses 
  2) The small parking lot- is only for teachers and  spaces.
  3) parking on Southlawn facing uphill, puts your car in the way of departing buses, the street is too narrow.
