Dear Parents/Guardians of Incoming Pine Brook Students,

Welcome to Pine Brook School! If your child requires medication for the 2026-2027 school year, we have arranged for a nurse to be present during the Chromebook Distribution and Locker Event on August 26 and 27. The nurse will be available:

- August 26: 1:00-3:00pm and 4:30-6:30pm
- August 27: 9:30-11:00am and 4:30-6:30pm

** If you are coming to the 9:30-11 or 1:00-3:00 timeslot, please ring the bell at the Main Office. At the earlier time slot, we will only be able to process medications and medical paperwork. If you are coming during the evening slots, please check in the same way as all arriving families, pick up your chromebook and then come to the nurse's office either before or after setting up your child's locker.

In addition, for those unable to make the event, there is a medication/order drop off scheduled on Wednesday, September 2 from 12:30-1:00pm.

Please arrive during the scheduled dates and times. Place all medication and orders in a Ziploc bag labeled with your child's full name clearly written on the bag. Medications and orders, **completed in their entirety**, must be submitted together, and must be handed by the parent/guardian directly to the school nurse, or they will not be accepted. All medical packets must be completed annually and must be valid for the upcoming school year, July 1, 2026 - June 30, 2027.

Please [click here](#) to access the District Nurse website for any other health related forms you may need or see below. Be sure to print all forms for the required packet.
