Bus Transportation Sign-Up for Parents

Guilford County Schools provides bus transportation for eligible students to ensure safe and reliable travel to and from school. Follow the steps below to request bus transportation for your student.

Step 1. Complete the Online Request Form

Parents/guardians must submit a transportation request through the **Transportation Preference Form** available on the Guilford County Schools website.

Information you will need:

- Student's full name
- Student ID number
- Home address
- Parent/guardian contact information
- School attending for the upcoming year

Step 2: Confirm Your Submission

After submitting the form, you will receive a confirmation email. Keep this for your records.

Step 3: Allow Processing Time

Transportation requests typically take 7–10 business days to process. During peak times (July–September), processing may take longer.

Bus Route & Stop Information

Once your request is approved:

- Bus stop location and pick-up/drop-off times will be available in the Here Comes the Bus app.
- You may also receive route information from your school.

Parents are encouraged to check route updates frequently, especially during the first weeks of school. Students should be at their assigned stop 10 minutes prior to their pick-up time.
