SEAHAWK SPOTLIGHT

★ CONGRATULATIONS, DR. JENNIFER FOWLER ★

Meet the Leader Helping FCS Navigate to Success

This week's Seahawk Spotlight features Dr. Jennifer Fowler, who began serving as principal of Franklin County School on July 1, 2026. Since joining FCS, Dr. Fowler says she has been especially impressed by the strong sense of community and Seahawk pride. Dr. Fowler brings more than 20 years of experience in education, having served as a classroom teacher, instructional coach, interventionist, principal, district leader, and state-level administrator.

For Dr. Fowler, the most rewarding part of her role is making a positive difference for students while supporting the teachers and staff who serve them each day. She especially enjoys visiting classrooms, connecting with students, celebrating their successes, and helping remove barriers so students and educators can thrive. Her vision is reflected in this year's theme, "FCS is Navigating to Success," with a focus on strong instruction, meaningful support, high expectations, and opportunities for every student to grow and achieve.

That vision extends beyond the classroom, with Dr. Fowler emphasizing the importance of strong relationships throughout the FCS community.

"I want our students to know that we believe in them, our staff to know that their work matters, and our families to know that they are valued partners in their children's education."
Dr. Fowler is excited for the journey ahead as FCS continues Navigating to Success—and together, we SOAR!
