Course Description

Career Preparation 1 provides opportunities for students to participate in a learning experience that combines classroom instruction with paid business and industry employment experiences and supports strong partnerships among school, business, and community stakeholders. The goal is to prepare students with a variety of skills for a fast-changing workplace. This instructional arrangement should be an advanced component of a student's individual program of study. Students are taught employability skills, which include job-specific skills applicable to their training station, job interview techniques, communication skills, financial and budget activities, human relations, and portfolio development.

Attendance & Make-up Work

Regular and prompt attendance is an essential part of the educational experience. Please exercise good judgement regarding your attendance and absences. When you are gone, not only are you missed, but you miss out! It will be your responsibility to ensure your work does not suffer as a result of absences.

The make-up work policy will allow students the number of days absent, plus one, to make up any and all work. However, in this special time period, students will be given more grace and time if needed due to health related issues.

Restroom Passes

Students may request a pass at appropriate times when the instructor is not actively teaching and not during the first or last 10 minutes of class. Students must ask permission before creating a Minga pass and are limited to 3 passes per school day.

Late **WORK**

- Minus 10 points for each day late.
- No longer accepted after the 3rd day.
- See me if you need help so we can find a solution before it becomes a problem!
