Statistic

Mrs. Gohl

Central High School
Newton 116

Hi, my name is Heather Gohl and this will be my 13th year teaching. I grew up in San Antonio before I moved to San Angelo to attend Angelo State. I completed my Bachelor's and Master's degrees through ASU. I just got married last school year to my wonderful husband, Marcus, so some of you may know me as Ms. Just from previous years. I have two wonderful dogs, Merle and Blue Bell, that are my absolute world. I will also always talk about all the nieces and nephews that I have and love to spoil.

Overview

The Statistics course is an introductory statistics course that introduces students to the major concepts and tools for collecting, analyzing, and drawing conclusions from data. Students cultivate their understanding of statistics using technology, investigations, problem-solving, and writing as they explore concepts like variation and distribution; patterns and uncertainty; and data-based predictions, decisions, and conclusions.

Grading Guidelines

There will be at least three Major grades each nine weeks that will be worth 70% and at least ten minor grades that will be worth 40% of your grade in the class. If you are absent from class you have the number of days absent plus one to make up any missed assignments. You can find all SAISD grading guidelines at the link [here](#) or using the QR code to the right.

Class Expectations

- Cell phones, earbuds, and smartwatches are prohibited during class.
- All cell phones will be put in the phone caddy each day during class. The phone will be confiscated and turned in to the proper authorities if you are on your phone during class.
- You will need to bring your charged Chromebook to class every day.
- Please be respectful to all in the classroom. We will complete a social contract within the first few weeks of school.
- All students are expected to abide by the SACHS dress code.
- Requests to use the restroom will be considered at appropriate times and when the instructor is not delivering information. Students are required to create an Ehallpass on their Chromebook.
- Drinks may be kept at your desk. Clean up your mess if you have a spill. Snacks are fine, but let's avoid eating full meals in class.
