Student Code of Conduct ([click here](#))

In accordance with the Cape Henlopen School District Board Policy #204, we, the undersigned parents/guardians of the student listed above, agree that we will make every reasonable effort to have our child abide by the Student Code of Conduct and to have our child attend school regularly. We also agree to provide a written note stating the reason for absence from school or any late arrival to school.

We acknowledge that we have reviewed the Code of Conduct in its entirety which contains the disciplines and attendance policies. We agree to contact the school if we have any questions and understand that the school staff welcomes the opportunity to discuss these issues with us. We also understand that we can locate the Code of Conduct anytime at capehenloopenschools.com for review with our student.

I request a hard copy of the Code of Conduct to be sent home with my child.
