

2026-2027 District Goals

- Increase the graduation rate by 2.5% from summer 2026 to summer 2027.
- Increase the percentage of students meeting grade level expectations on the Reading/Language Arts Georgia Milestones Assessment by 3% from summer 2026 to summer 2027.

2026-2027 School Goals

Mathematics

- 60% of K-5 scholars will score at Tier 1 as measured by i-Ready Math Diagnostic by May 2027.
- The percentage of Grades 3-5 students performing at Developing and Above on the Math, Georgia Milestones will increase by 3% for the 2026-27SY.

Reading

- 65% of K-5 scholars will score at Tier 1 as measured by i-Ready Reading Diagnostic by May 2027.
- The percentage of Grades 3-5 students performing at Developing and Above on the Reading, Georgia Milestones will increase by 3% for the 2026-27SY.

Areas of Focus:

K-2

Apply phonics skills to decode more difficult words.

- Build math fluency with addition and subtraction while solving multistep word problems.

3-5

- Develop vocabulary by using root words, prefixes, and suffixes to determine word meanings.
- Build math fluency with multiplication and division while solving multistep word problems.

As a school faculty at Stonewall Tell, we agree to:

- Provide check-out opportunities for math and literacy games and activities within the Parent Resource Center.
- Provide academic parent workshops to support families with reading comprehension and math fluency strategies.
- Provide access to i-Ready lessons and digital text to encourage reading at home.

As a parent at Stonewall Tell, I agree to:

- Visit the Parent Resource Center to check out math and reading games and activities.
- Attend academic parent workshops designed to offer reading comprehension strategies and math fluency strategies.
- Support my child at home with i-Ready lessons to encourage reading.

As a student at Stonewall Tell, I agree to:

- Use math and reading games and activities checked out from the Parent Resource Center.
- Use reading and math material my parents receive at parent workshops.
- Use i-Ready lessons with my parents at home to help me with reading.

What is a School-Family Compact?

A School-Family Compact is a written agreement by staff, parents/families, and students developed together. It explains how the staff and parents/families will work together to make sure all students improve to reach grade-level standards.

Jointly Developed

This compact was jointly developed by Stonewall Tell students, staff, families, and Title I Committee members. It outlines how parents, the entire school staff, and students will share responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the state's high standards. Compacts are reviewed and revised annually. Parents are welcome to provide feedback at any time during the school year and during the Title I Stakeholders' Input Meetings.

If you would like to volunteer, participate, and/or observe in the classroom, please contact Latrece Rice, Parent Liaison, at (470) 254-3500.

Building Partnerships

Parents will have opportunities to be involved and partner with Stonewall Tell Elementary through a variety of activities which gives them reasonable access to staff. Please see below for some of the ways we build partnerships with our parents.

Activities to Build Partnerships

- Open House
- Parent Volunteers
- Parent -Teacher Conferences
- Parent Academic Workshops
- Monthly PTA/SGC Meetings/Events
- Principal's Chat

School and Home Communication

Stonewall Tell Elementary School is committed to open two-way communication with parents about their child's academic progress. Some of the ways we will communicate with parents about students' progress are listed below. If you have questions about your child's progress, you may contact your child's teacher by phone at (470) 254-3500. Email addresses are on the school's website.

- Infinite Campus
- school's website
- Parent Smore
- progress reports/report cards
- parent-teacher conferences
- email
- student folders
- telephone
- parent workshops
- Instagram/Facebook/Twitter/
- classroom observations
- compact review
