District Elementary Families,

August 20, 2026

On behalf of the Stevens Point Area Public School District, I would like to welcome you to the 2026-2027 school year. We are pleased to have you as partners in supporting the success of your child/children.

As we prepare for the transition back to school after summer break, we recognize students and families are eager to meet their child/children's homeroom teacher. Beginning **August 26th** at 3:00 PM, all parents/guardians will have an opportunity to sign into Skyward Family Access and view their child's assigned homeroom teacher for the 2026-2027 academic year. Included in this mailing is a document highlighting the steps you will follow to access homeroom information or request a new password if necessary. If you are unable to sign in to Skyward Family Access, district staff will be available at 715-345-5456 or 715-345-5466 to support you with this process.

Staff across the district are anxious to welcome new students for the year and are excited to begin working with families. Additional information will be coming from your child's specific school regarding the start of the year. Teachers are eagerly awaiting their new students for the year and are excited to begin working with families. Kindergarten students will have a tentative teacher assigned to them initially; however, it is important to note that during the first week of school, children will spend time with all kindergarten teachers and will participate in kindergarten activities where they will become acclimated to school and the building while participating in typical kindergarten activities and routines. Teachers will observe the children to begin the process of determining learning styles and readiness. At the conclusion of the first few days, kindergarten teachers will meet with building leadership to develop balanced classes where many factors are considered in the best interest of all students. Therefore, the previously assigned teacher may change and will be communicated by **September 8th** if applicable. Please keep in mind, generally there are minimal changes to the initial class lists. All kindergartners will return to school to follow a regular schedule with their assigned teacher as soon as final class list decisions are made.

Reminder: Monday, August 31 will be an orientation day for 4K (4K programs at District Elementary buildings only), kindergarten, 7th and 10th grade. Tuesday, September 1st is the first full day of school for everyone.

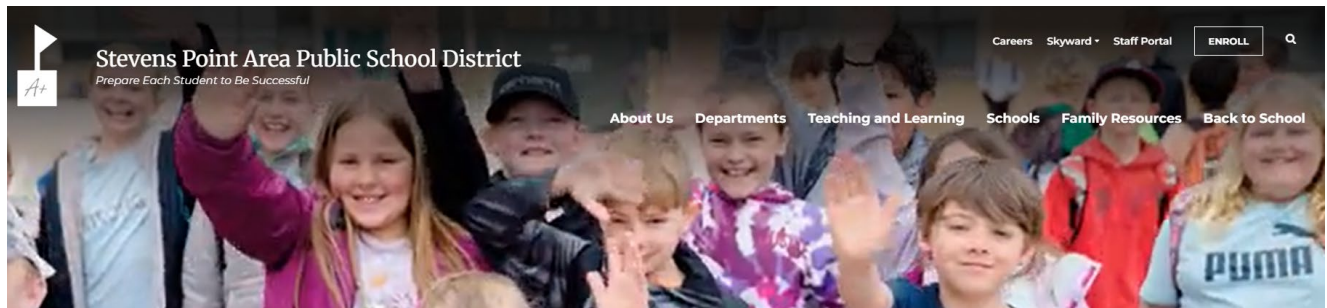

Thank you in advance for your partnership. We are looking forward to another successful and productive year!

Enjoy the balance of your summer!
