

HOLICONG MIDDLE SCHOOL

2026-2027

WELCOME TO THE PATHFINDERS!

Hello 7th graders! Your team teachers are enthusiastically awaiting **August 31st** and are excited to spend an incredible first year of middle school with you! Holicong's 7th grade class is organized into two teams, and we are so glad you are a member of **The Pathfinders!**

A pathfinder is someone who discovers different routes and opportunities through innovation and creativity. This school year, you will identify new strategies and methods that will lead you to territories you have never entered before! You will gain a deeper understanding of yourself as a person and student as well as have opportunities to collaborate with classmates and even people within our community. Your teachers are here to guide you through the various paths! We will all work together to not only achieve academic success but also help you face adversity and become stronger individuals who are able to grow, adapt, and learn from each experience.
