Important: SchoolCash Online Registration Email

Families received a registration email from **SchoolCash Online / KEV Group**. Please do not ignore this email. Parents and guardians are strongly encouraged to register so they can stay connected to school-related payments and opportunities for their student.

Once registered, families will be able to view and pay for items such as:

- Field trips
- Classroom activities
- Student activity fees
- Parking passes
- Yearbooks
- School items
- Optional donations and other school-related payments

Registering helps ensure families receive timely access to items assigned to their student and reduces the need for cash and check payments at school.

Now, with a few clicks, you can pay for your child's yearbook, class trips, donations, VPK/PPK fees and so much more from your own home. All you have to do is register an account, attach your children and in no time you will be able to make payments online. We accept many different payment forms so come in and check us out!
