Parent & Family Engagement (PFE) Program	
What is it?	Brownsboro Intermediate School is committed to our vision: BIS will encourage, empower, and equip ALL students to achieve their full potential. We strive to provide high-quality education tailored to each student by developing and maintaining strong relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding to schools with low socioeconomic status. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.
Funding	Title I funds will be allocated for the implementation of the Parent and Family Engagement Program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All uses of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the needs of the PFE program.
