Together We Lead. • We believe EVERYONE at BISD matters and deserves the very best we can give. • We believe in strong relationships that create a "family/community comes first" district. • We believe that we are not defined by test scores, but rather support the development and growth of every child.

Forms of Academic Assessments	Brownsboro Elementary School has common assessments that subject level teachers administer every three weeks. Additionally, students are given formative assessments provided by the TEKS Resource System, which models each assessment after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curricula.			
Expected Achievement levels on academic assessments	The State's Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards Brownsboro Elementary School tracks each child's growth throughout the year via local assessments (mentioned above). Each child has a folder where teachers help them track their learning growth.			
Ways to Request Regular Meetings	Guardians are invited to bring any suggestions, ideas, or concerns to the monthly parent meetings listed above. However, if they need to meet with the administrators or their child's teacher at another time, they can email that individual to set up a meeting. We welcome any ideas, feedback, and concerns, as we strive to make our school a place where everyone feels safe and welcome.
