

Opt-Out Form: Student Video Review

Center for Safer Schools – Student Video Opt-Out Request

As part of the Protecting Our Students Act and in accordance with [North Carolina General Statute G.S. 143B-1209.59](#), all public schools in North Carolina are required to show age-appropriate educational videos to students in grades 6–12. These videos are produced by the Center for Safer Schools in collaboration with Capitol Broadcasting Company.

I, the undersigned parent/guardian, acknowledge that I have been informed about the required video presentation for students in grades 6–12, mandated by North Carolina law. I have reviewed the available materials and choose to **opt my child out** of viewing the Center for Safer Schools video(s) during the 2026-2027 school year.
