

Dear K111 Friends and Families,

Welcome to kindergarten at Bicycle Path. My name is Mrs. Esposito and I will be your child's teacher. I hope you all had a wonderful summer vacation. This will be an exciting year filled with many new friends, adventures, and learning!

Our classroom is all ready for you to come in! We are in room K-111. There are many activities planned to encourage each child to be independent, gain self-confidence, become problem solvers, and interact with their peers in a positive way. I will be working very hard to establish a comfortable, challenging, and safe environment. It is important when your child enters kindergarten that they know their full name, address, and bus number. I ask that you practice these everyday until school begins!

Your child will be having snack twice a day, morning and afternoon. If possible, please send in two small healthy snacks. To make it easier, please send morning snack and afternoon snack in a **separate** bag. I ask that you mark the bag with your child's name and snack written on the bag (A.M or P.M). This is to help with any confusion with their lunch.

On the back, you will find a school supply list. It would be greatly appreciated if all of the supplies are brought to school within the first few days. If there are any concerns and you are unable to purchase the supplies, please let me know. *Please **laminare** and have your child wear their bus tag for the first two weeks of school. This will ensure they are getting on/off the right bus. *

I feel it is important for teachers and parents to work together in helping each child succeed. I look forward to working together and making this year a special one! Please feel free to contact me with any questions. (nesposito@mccsd.net) Thank you for your cooperation and support.

Sincerely,
Mrs. Esposito
