President's Message

Welcome!

Welcome to another exciting year at Parley's Park Elementary! Whether your family is returning or joining our community for the first time, we're so glad you're here.

This year's school mission, "Camp Parley's: Choose Kindness. Build Connection. Inspire Growth," is a wonderful reflection of what we hope to create together. The PTA's focus this year is simple: building a welcoming, connected community where students, families, and staff can come together and feel that they belong.

We're kicking off the year with our Fun Run, with student-led fundraising beginning September

18 and the run taking place October 1. As our main fundraiser of the year, the Fun Run helps support many of the programs and traditions that make Parley's Park special, including the Fall Festival, STEAM Festival, Field Day, Book Fair, Missoula Children's Theatre, Talent Show, staff appreciation, community outreach, and more.

I'm looking forward to all that we'll accomplish together this year. Thank you for being part of the Parley's Park family, and here's to a year filled with kindness, connection, growth, and fun!

Mira Choe
PTA President

Volunteer Opportunities

Be a Part of It

Behind every great PTA event is a community of parents and caregivers who helped make it happen.

Maybe you can help at one event, lend your talents to a committee, take on a small project, or simply pitch in when your schedule allows. Every contribution matters, and even a little time can make a big difference for our students and school community.

Throughout the year, we'll share opportunities to get involved with events, fundraisers, family activities, outreach, and more. Take a look at the committees and events on the following page to find something that interests you.

Have an idea? Want to get involved? We'd love to hear from you! Please fill out the following page and return it to your student's teacher. We'll reach out with more information about the opportunities that interest you.

Communications

Stay Connected

A great school community starts with good communication. Throughout the year, we'll use a few different channels to keep families informed, connected, and involved.

For PTA news, upcoming events, reminders, and family fun, follow us on Instagram at @parleyselementaryparents. For more conversation and collaboration, join us on the BAND app, where parents can connect with committees, coordinate events and volunteers, ask questions, and share ideas.

For school-wide information, be sure to keep an eye out for Principal Kim Howe's monthly newsletters and emails from your child's teacher. Each channel serves a different purpose, so we encourage families to follow along wherever works best for them.

We're excited to stay connected with you throughout the year!
