Feeding Bright Futures

Yummy flavors and wholesome nutrition are just the start of what Kellanova brands offer!

Our K-12 breakfast, snacking, and vegetarian products are formulated specifically for schools, making it simple to satisfy kids and meet both current and future USDA requirements – while providing meals and snacks as delicious as they are nourishing.

Our portfolio is great today, but wait until you see what tomorrow holds! Many of our kid-favorite products feature whole-grain ingredients, vitamins and minerals, and no high fructose corn syrup.* Plus, we're renovating some of our existing formulas to meet USDA SY27-28 standards for added sugar and sodium**, as well as ensuring all products are free from synthetic colors within SY26-27. This way, you can feel confident you're serving up nutritious, parent-approved choices to help students conquer the day.

Together we can drive student participation and help feed their bright futures!

THE IMPORTANCE OF *Grains* IN SCHOOL NUTRITION

GRAINS FOR Greatness

Grains are a great starting point for meals and can serve as a vehicle for other food groups and nutrients.[1]

Whole grain-rich foods like waffles, toaster pastries, cereal bars, and crackers are also a big hit with kids – they're quick, convenient, and delicious.

TOP-NOTCH NUTRIENTS

Both whole and enriched grains contain carbohydrates, which our bodies use for energy. Grain-based foods are important sources of key nutrients like iron, zinc, and B vitamins.[2]

THE NUMBERS ADD UP

Grain-based foods contribute nearly 55% of the fiber consumed in the U.S.[3] – while making up less than 10% of the saturated fat and added sugar kids eat each day![2]

FEEDING THE FUTURE

Whole grains help promote healthy eating habits in your students. Research suggests that higher whole grain intake is associated with a lower risk of several nutrition-related chronic diseases later in life.[4]

DID YOU KNOW? Higher whole grain intake has been associated with improved cognitive function in kids and teens![5]

MAKE GRAINS A STANDARD IN SCHOOL MEALS

When involved parents, dedicated cafeteria managers, and innovative foodservice suppliers work together, greatness is always on the menu! Let's help put our students on the path to a brighter future with nourishing, nutrient-rich grains in every meal.

Kellanova Away From Home

Future-Forward *Product Renovations*

Kellanova doesn't just have nutritious, whole grain-rich portfolios. We're also raising the bar on school nutrition, renovating select K-12 products to meet evolving ingredient standards and USDA's Final Rule for SY27-28.*

≤ 12g
Added Sugar Per Serving

≤ 290mg
Sodium Per Serving

FREE
From Synthetic Colors in SY26-27

These renovations will bring the above in alignment with the nutrition standards of our existing K-12 portfolio.

PLANET-POSITIVE MEATLESS MEALS

FEED YOUR STUDENTS THE TASTES THEY LOVE AND MAKE A POSITIVE IMPACT!

Today's students are committed to making a difference for the environment with ecologically sound choices. This includes choosing *MorningStar Farms®* vegetarian and vegan options instead of meat.

We worked with climate experts to study the environmental impact of swapping out meat for *MorningStar Farms®* plant-based and vegetarian products. We found that creating a *MorningStar Farms®* food vs. real meat results in measurable benefits like:

33% FEWER GREENHOUSE GAS EMISSIONS[1]

73% LESS LAND USAGE[1]

86% LESS WATER USAGE[1]

ENVIRONMENTAL IMPACT CALCULATOR

Check out our Environmental Impact Calculator to learn more about how *MorningStar Farms®* products help benefit our planet and people.

Our plant-based and vegetarian products are also tasty, nutritious, and a hit with kids! *MorningStar Farms®* is the #1 plant-based protein and veggie brand in K-12.[2]

For an easy, convenient way to add plant-based and vegetarian solutions to your foodservice operation and drive student participation, choose *MorningStar Farms®*.

For more information, contact your Kellanova Sales Representative or visit KellanovaAwayFromHome.com
