I. Call to Order Special Session

E.Galyean called the meeting to order at 6:00pm.

II. Flag Salute

Public Comment – The Board welcomes you to its monthly meeting. We ask that you complete an Intent to Speak Form by sending an email to the Board Secretary at brownm@ycschools.org. The Board will receive public comments at this time but will defer issues to the appropriate administrator. During public comment, the Board listens but neither discusses, nor responds to questions and concerns. Speakers are limited to three minutes.

III. Approval of 4th Grade Move to the Elementary School (Action Item)

-C.Raever presented a recommendation to return fourth grade students from Yamhill Carlton Intermediate School to Yamhill Carlton Elementary School beginning with the upcoming school year. He explained that fourth grade was moved to the intermediate school approximately six years ago due to anticipated enrollment growth at the elementary school. That projected growth has not occurred, and enrollment levels now allow the district to accommodate fourth grade students at the elementary school.

-The recommendation was based on feedback gathered through staff and family surveys, as well as input from community members. Benefits cited included a more developmentally appropriate placement for fourth grade students and improved access to intervention and Title program resources.

-Board members discussed potential challenges associated with the move, particularly the possibility of future enrollment increases creating space constraints at the elementary school. M.Bishop reported that current enrollment projections do not indicate a need for additional classrooms beyond kindergarten, which remains difficult to predict due to summer enrollments. Other grade levels are projected to remain within normal class-size ranges.

-The Board discussed possible future solutions should enrollment growth require additional space, including the use of modular classrooms or construction of additional classroom space through a future bond measure.

-E.Galyean asked whether any public feedback had been received since the proposal was introduced. C.Raever reported receiving only positive feedback from parents and community members, including comments that the change was overdue and would be beneficial for students. M.Bishop also shared positive feedback from parents whose children would benefit from remaining at the elementary school through fourth grade.

Note: Unless approved, Regular Meetings of the Board of Directors will be no longer than 3 hours in length at any single session. **INTERPRETERS FOR THE HEARING IMPAIRED:** To request interpreter services for this meeting call 503-852-6980 at least 24 hours prior to the meeting.

-Discussion also included the impact on fourth grade teaching staff. Only one teacher will be affected as the other two are new hires. The planning conversations had begun and support will be provided to ensure a smooth transition if the move was approved.

C.Zook motioned to move 4th grade from Yamhill Carlton Intermediate to the Carlton Elementary School. J.Dumdi seconded. All in favor. Motion passed.

IV. Adjournment

E.Galyean adjourned the meeting at 6:09pm.
