Journey Day

September 25, 2026

At Mason City Schools, we believe each Comet is on a journey to discover their **purpose and potential**. This Journey Day invites students to boldly step into the role of **LEARNER**—curious, creative, and driven to grow.

This theme centers on the idea that learning extends beyond the classroom and content standards. It's about **uncovering passions**, building **new skills**, and trying things that might spark a **future direction**. Whether it's coding, cooking, storytelling, animation, music production, design thinking, or robotics—this day is designed for authentic exploration and discovery.

Aligned to our Portrait of a Comet, this day nurtures:

- **Voice & Ownership** – Students choose what they want to learn and how they want to explore it.
- **Adapting for the Future** – By trying new tools and talents, students build the flexible skillsets needed in an evolving world.
- **Engaging in Worthy Challenges** – Students step outside their comfort zones to take on something new and exciting.
- **Building Meaningful Relationships** – Through shared experiences, mentorship, or collaboration, students connect with peers and community members who can fuel their learning journey.

Missions

****Required**

Student Directions:

Action: Complete the “Find Your Path” Survey in SchoolLinks.

Goal: This will help you to identify personalized career recommendations based directly on your unique personality traits and interests.

Expeditions

****Optional**

Expeditions are optional activities that students can choose to complete on their Student Journey Day. Through these activities, students can continue to practice their Portrait of a Comet skills to support their growth as learners, leaders and citizens.

Quests are optional community events that students can choose to attend on a Student Journey Day. To attend these events, students need to sign up on our district website.
