Team: NY Islanders

Hobbies: Shopping, Arts & Crafts,
Yoga

Welcome to Kindergarten! I hope that you and your family had a healthy and enjoyable Summer vacation. This will be an exciting year for learning and discovering. I have been So busy planning for a great year together. We will be learning about numbers, letters, rhyming, addition, subtraction and So much more!

On the back of this letter, you will find a School supply list. It would be very much appreciated if the Supplies are brought in within the first few days. We will have TWO Snacks a day! Be Sure to bring them both in a labeled ziploc bag. You can bring a labeled water bottle or two juices.

Don't forget to wear the provided frog bus tag on the first day of School. The extra bus tag can stay inside your backpack.

Please don't hesitate to Reach out if you have any questions!
