

SKYWARD/QMLATIV APP

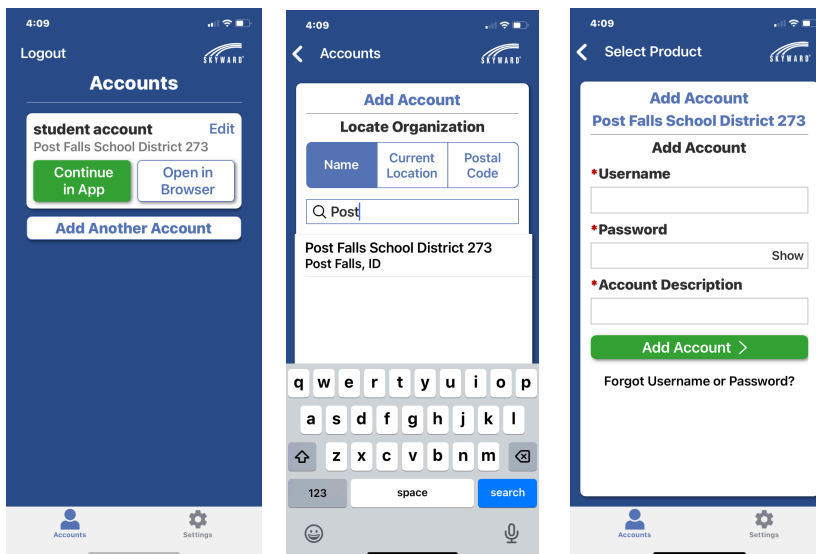

The Skyward App will need to be updated for Qmlativ.

If you have the Skyward App already you will need to remove the old account and add a new one.

1. Click on the old account and then click Delete

2. Go back to your main screen
 - a. Click on Add Another Account
 - b. Type in Post and Post Falls School District will pop up and you can click on it
 - c. Next screen you will see two options. Choose Student Management
 - d. Next screen you will enter your username and password for Skyward/Qmlativ.
 - e. For Account Description
 - f. Then click Add Account

- g. If you have problems adding your account or logging in
 - i. Family/ Parents please contact the school office
 - ii. Staff please enter a helpdesk ticket for Skyward/Qmlativ
