Elma School District Families:

Our Skyward Qmlativ website and mobile app are now accessible for Family Access logins. A big thank you to all families for your patience as we completed the final configurations to launch the system. You may now log in and complete the ELMA ANNUAL UPDATE 2026-27 for your returning Elma School District student(s) - required for all students, including incoming Kindergarteners and Preschoolers. Once the annual update is complete and submitted, the system will automatically activate the SCHEDULE tile on your Family Access home page, and you will be able to view your student's elementary teacher placement or secondary schedule.

Again, thank you for your patience, as we know the opening of the annual update is later than usual. Please know all staff will also be learning and navigating the new Skyward Qmlativ system for the first time as well. It will be a bit of a learning curve for all of us - parents, students, and staff 😀. The start of the 2026-27 school year may need a little more grace for all; together, we will get through it though! Thanks again for completing your student's annual update. Wishing you all an amazing year at Elma School District! #Be the BLUE #Eagle Pride

*Eric Smith, Director of Technology-Assessment-Student Data*

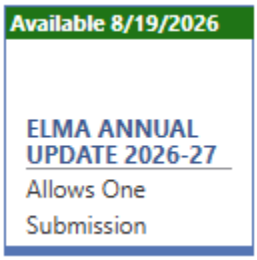

**Please follow these steps to access your Elma Skyward Qmlativ account:**

**STEP 1:** Navigate to the following new link on an Internet Browser (link can also be found on the district website homepage). Mobile Access through the Skyward APP on an Android or iOS device is also available; please see those instructions at the end of these steps.

## New link: **Elma Skyward Qmlativ**

**STEP 2:** Enter the same username and password you used in the previous Skyward system. You may also use the link *"Forgot your Username or Password?"* if you have forgotten login credentials. Please note the button labeled *"Sign in with your **eagles.edu** account"* only works for staff access. If you still need login assistance, email **skywardsupport@eagles.edu** with your **student's full name, grade level, school, and your full name.**

**STEP 3:** For each of your actively enrolled students, you will need to select the tile labeled ELMA ANNUAL UPDATE 2026-27. Please complete all steps and then select to submit the online form (the form can also be found and submitted through the mobile app)

**STEP 4:** View your student's elementary teacher placement or secondary schedule by clicking on the SCHEDULE tile (only available once you have completed and submitted your student's annual update).

**STEP 5 (Optional):** All students in the Elma School District receive free breakfast and lunch without completing a food service application. However, to qualify for Summer EBT benefits or fee waivers

for ASB cards or athletic fees, you need to complete the **CNEEB Food Service Application** (it will be reviewed for 2026-27 income qualification) **or** qualify through the **Direct Certification** process if you are receiving state benefits. Once your application has been reviewed or you receive notice that you qualified through direct certification, you will need to complete the **Consent to Share** form to have fees waived.  Both forms can be found online on your Family Access home screen.

**The Consent to Share will only be available once the system sees you qualify through the CNEEB or Direct Certification. These reviews will begin in the next week. So check back later.*

*** Online Fee Payments for ASB cards are not ready to go quite yet; we will send an update once online fees can be accepted.*

**MOBILE ACCESS INSTRUCTIONS:**

1. If you already have the Skyward APP on your device, **DELETE** it and then reinstall the app.
2. Go to your Google Play Store or Apple App Store - search for and install SKYWARD
3. Open the app and search for WSIPC Elma School District or Elma School District.
4. Follow the login instructions from STEP 2.
5. Continue with the remaining steps.
