Upcoming Bridge Works – Tetchill Bridge Closure

Dear Customer,

We are writing to inform you of upcoming **Bridge Repair** work that will be taking place in your area.

Where is the work?
The works will require a full road closure on **Ellesmere Road, Tetchill**. A map is provided for reference.

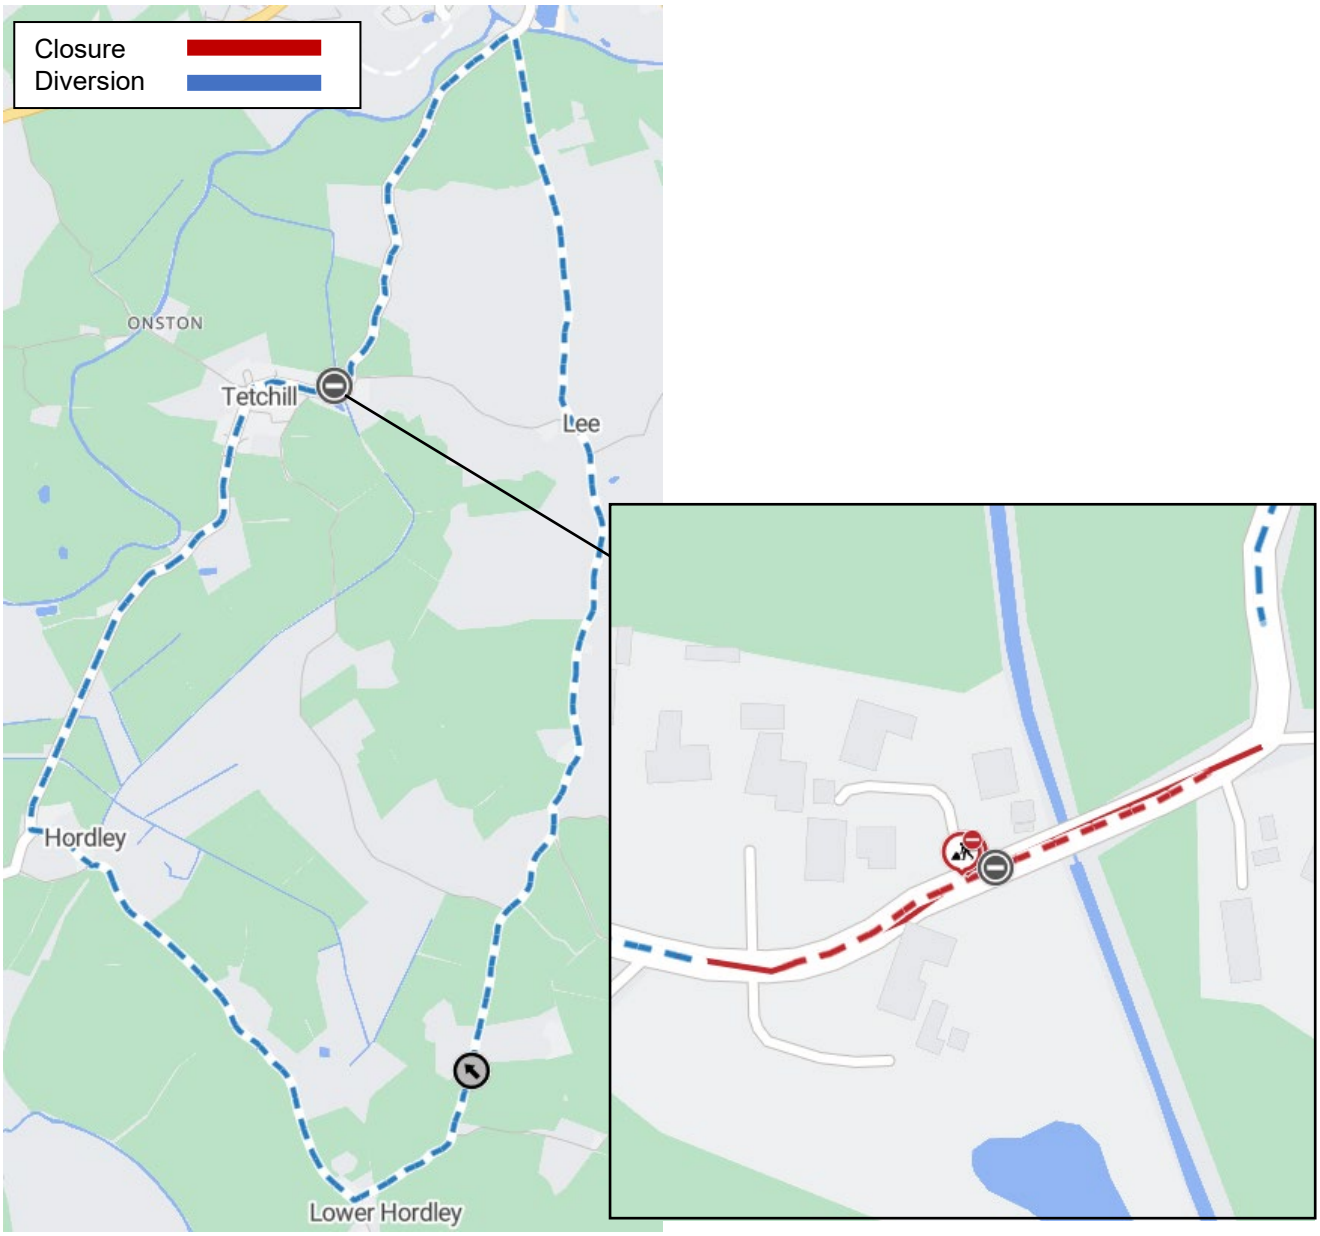

When is this happening?
The works are scheduled from **7am Monday 7th September to 5pm Wednesday 30th September**, under a **24hr Closure – No Access at all times.**
Please be aware that these dates may change due to weather or unforeseen circumstances. Any updates will be shown on local advance warning signs and on https://one.network/

How will this affect traffic?
A signed diversion route will be in place for the duration of the closure.

Will there be access to my property/business?
Access to properties and businesses should be obtained from either side of the bridge by following the signed diversion route. There will be **no access** over the bridge for the duration of these works.

Our on-site team will assist where possible. Our priority is to keep you and our staff safe.

Where is the work?

How can you help?

Please avoid parking on the road during working hours. This will help us complete the works efficiently and reduce disruption. If the access restrictions cause any difficulties, please speak to our team on site or contact us using the details below.

Find out more!

If you have any questions or would like to discuss the works, please contact Shropshire Council's Highways Customer Services Centre on 0345 6789006.
