STAY INFORMED

We would love to see you at our meetings each month! PTO Meetings can be attended in person or virtually and this year we have been able to secure Child Watch! Attend the meeting while your children participate in activities (Must be potty trained and parent @ meeting). Make sure you don't miss events and announcements by signing up for ParentSquare and looking for the monthly PTO Newsletter & flyers! PTO info will also be posted to the PTO's Bulletin Board at the school, & Isham Insights Digital Letter!

PTO WELCOME

Welcome Isham Families!

Isham Elementary PTO is excited to welcome you to the new school year! Whether you are returning or joining our community for the first time, we are grateful to have you as part of the Isham family. Our PTO exists to support our students, staff, and families—and we truly believe that when we work together, amazing things happen.

Our Goals for This Year

• Outdoor Space Improvements:

We are working toward updates to our outdoor spaces to enhance both recess and outdoor learning. Our hope is to create areas that inspire creativity, physical activity, and hands-on exploration for every student.

• Supporting Emerging Needs:

With recent budget changes in the district, some needs that were once easily covered may now require additional support. The PTO is committed to stepping in wherever possible to help maintain the high-quality experiences Isham students are accustomed to.

• Student and Staff Morale:

Creating a supportive environment to remind each Isham Community Member just how important they are through fun monthly morale boosting activities!

Fundraising: Participate When It Fits Your Family

Throughout the year, we offer a variety of fundraisers. We want to reassure families that there is no pressure to participate in every single one. The purpose of having multiple types of fundraisers is simply to provide choices so that every family can find something that works best for them. Your support, in whatever form feels right for you, is always appreciated.

How You Can Get Involved

Volunteers are the heart of our PTO. Whether you have a little time or a lot, we welcome every kind of involvement—helping with events, assisting in classrooms, supporting fundraising efforts, sharing ideas, or simply staying connected. Every person makes a difference.

If you're interested in learning more or getting involved, please reach out anytime. We are excited to work together to make this school year vibrant, supportive, and full of opportunities for our students.

Thank you for being part of the Isham community—we're looking forward to a fantastic year ahead!

Warmly,

Isham Elementary PTO
