

## What is the School-Family Compact?

An agreement that parents/families, students, and teachers develop together. It explains how parents/families and teachers work together to ensure all students reach and exceed the State's high academic standards.

### Jointly Developed

The School-Family Compact was jointly developed using electronic feedback forms. Parents, families, teachers, students, and our community partnered together with a common goal. The compact is revised annually.

Continuous input is appreciated to foster success here at Cliftdale Elementary School. Together we are committed to the education and development of each student in accordance with the system goals set by Fulton County Schools. At-home strategies will be given throughout the school year to promote student growth. Parents are encouraged to contribute comments at any time.

## Communication About Student Learning

Cliftdale is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- Mustang Community Newsletter (Weekly)
- School website
- Class Dojo
- Emails
- Parent Portal - Infinite Campus
- Report Cards/Progress Reports
- Parent-Teacher Conferences (discuss compact)
- Parent Resource Center
- Observation/Volunteer

**TAMEKA LONG, ASSISTANT PRINCIPAL**

Increase the percentage of all students scoring proficient or distinguished on Reading Milestones.

Increase the percentage of all students scoring proficient or distinguished on Math Milestones.

## 2026-2027 Academic Goals

**Literacy Goal** - 70% of students in grades K-2 will perform at Tier 1 (on or above grade level) as measured by i-Ready Reading Assessment by May 2027.

**Math Goal** - 70% of students in grades K-2 will perform at Tier 1 (on or above grade level) as measured by i-Ready Math Assessment by May 2027.

**Literacy Goal (3rd-5th)** - The percentage of grades 3-5 students performing at the Proficient Level and Distinguished Level (Levels 3 and 4) will increase by 5 percentage as measured by the 2027 Georgia Milestones ELA Assessment.

**Math Goal (3rd-5th)** - The percentage of grades 3-5 students performing at the Proficient Level and Distinguished Level (Levels 3 and 4) will increase by 5 percentage as measured by the 2027 Georgia Milestones MATH Assessment.

### Academic Focus

- Reading Phonics (Kindergarten - Second Grade)
- Reading Fluency and Comprehension (Third - Fifth Grade)
- Math Fact Fluency and Problem Solving
  - Addition and Subtraction (Kindergarten - Second Grade)
  - Multiplication and Division (Third - Fifth Grade)

### As a School, Cliftondale will...

- Provide interactive academic workshops to parents and families with specific strategies to support their child with phonics, reading fluency, and math fact fluency.
- Provide a Parent Resource Center with materials to support their child with math, phonics, reading fluency, vocabulary development, comprehension, math fact fluency, and problem solving.

### As a Cliftondale Parent/Guardian, I will...

- Attend each of the academic workshops that provide strategies and activities to assist my child in reading and math.
- Utilize the Parent Resource Center to check out resources for reading phonics, fluency, vocabulary development, comprehension, math fact fluency, and problem solving.
- Ensure you are listening to your child read daily, as this practice is essential for developing strong reading skills

### As a Cliftondale Student, I will...

- Use the reading and math strategies shared with my parents from parent workshops to support me in reading and math.
- Utilize resources my parents check out from the Parent Resource Center to support me in reading and math.
- Read with my parents daily, as this practice is essential for developing strong reading skills
