E. Motion to approve Identified Official with Authority (IOwA)

Designation of an Identified Official with Authority for Education Identity Access Management The Minnesota Department of Education (MDE), Professional Educator Licensing Standards Board (PELSB), and Office of Higher Education (OHE) require annual designation of an Identified Official with Authority (IOwA) for each local education agency that uses the Education Identity Access Management (EDIAM) system. The IOwA is responsible for authorizing, reviewing, and recertifying user access for their local education agency in accordance with the State of Minnesota Enterprise Identity and Access Management Standard, which states that all user access rights to Minnesota state systems must be reviewed and recertified at least annually. The Identified Official with Authority will authorize user access to State of Minnesota Education secure systems in accordance with the user's assigned job duties, and will revoke that user's access when it is no longer needed to perform their job duties. The Board recommends to authorize Gregg Slaathaug, Superintendent, gslaathaug@hayfield.k12.mn.us, EDIAM user ID gslaathaug to act as the Identified Official with Authority (IOwA) and Lila Rehnelt to act as the IOwA to add and remove names only for Hayfield Public School District 0203-01.
